

Department of Economics									
1.1.2 Details of courses offered by the institution that focus on employability/ entrepreneurship/ skill development during the year.									
S.No.	Name of the Course	Course Code	Em	Activities Focusing on Employability	En	Activities Focusing on Entrepreneurship	SD	Activities Focusing on Skill Development	Outcome
<b>2023-2024</b>									
1	Core Course I: Micro Economics I	FU231CC1	<input checked="" type="checkbox"/>	Group Discussion on Optimal Consumer Choice	<input checked="" type="checkbox"/>	Practical experience on sales through cosmetic items	<input checked="" type="checkbox"/>	Model making on indifference curve analysis	To instill the basic knowledge of micro economics
2	Core Course II: Statistics for Economics I	FU231CC2	<input checked="" type="checkbox"/>	Roleplay on Classification and Tabulation of Data	<input checked="" type="checkbox"/>	Data Collection on Preparing chart	<input checked="" type="checkbox"/>	Problem Solving Method on Karl Pearson's Coefficient of Correlation	To understand the statistical techniques
3	Elective Course I: a) Introduction to Sociology	FU231EC1	<input checked="" type="checkbox"/>	Group Discussion on Factors of Social Change, Culture and Civilization	<input checked="" type="checkbox"/>	Role Play on Status Role	<input checked="" type="checkbox"/>	Case Study on Development of Sociology	To analyse the policies
4	Elective Course I: b) Fundamentals of Management	FU231EC2	<input checked="" type="checkbox"/>	Book Review on Career Planning and Management	<input checked="" type="checkbox"/>	Role play on Role and Functions of a Manager	<input checked="" type="checkbox"/>	Budget format making	To analyze the Organizational Levels in an Organization
5	Skill Enhancement Course SECI (Non Major Elective) (NME): Demography	FU231SE1	<input checked="" type="checkbox"/>	Group Discussion on Scope of Demography	<input checked="" type="checkbox"/>	Chart preparation on Urbanisation and Population	<input checked="" type="checkbox"/>	Report writing on Census Data	To evaluate the scope of demography
6	Core Course III: Micro Economics II	FU232CC1	<input checked="" type="checkbox"/>	Power point presentation on perfect competition	<input checked="" type="checkbox"/>	Group discussion on Monopolistic competition	<input checked="" type="checkbox"/>	Group discussion on urbanisation	To understand the different market structure in the economy
7	Core Course IV: Statistics for Economics II	FU232CC2	<input checked="" type="checkbox"/>	Problem solving on sampling method			<input checked="" type="checkbox"/>	Chart preparation on Sampling methods	To understand the different market structure in the economy
8	Elective Course II: Introduction to ECommerce	FU232EC1	<input checked="" type="checkbox"/>	Create an advertisement on B2C model	<input checked="" type="checkbox"/>	Poster presentation on online transaction	<input checked="" type="checkbox"/>	Debate on Online and offline business	To learn the business model of ECommerce
9	Non Major Elective II (NME): Economics for Investors	FU232NM1	<input checked="" type="checkbox"/>	Poster presentation on saving and investment methods	<input checked="" type="checkbox"/>	Group discussion on Trade cycle	<input checked="" type="checkbox"/>	Debate on benefits of traditional investment and modern investment	To create knowledge and interesting economics
10	Skill Enhancement Course SECI: Computer Application in Economics	FU232SE1	<input checked="" type="checkbox"/>	Practical session on input output devices			<input checked="" type="checkbox"/>	Poster presentation on advantages and disadvantages of input output devices	To know the basic concepts of Computer applications
11	Major Core III: Macro Economics I	FC2031	<input checked="" type="checkbox"/>	Model making on Stock and flow concept	<input checked="" type="checkbox"/>	Group discussion on Problem of double counting	<input checked="" type="checkbox"/>	Power Point Presentation on Circular flow of income	To learn the basic concepts of Macroeconomics and measuring the National income
12	Elective Course I a) Monetary Economics	FC2032	<input checked="" type="checkbox"/>	Video making on Disguised Unemployment	<input checked="" type="checkbox"/>	Debate on Globalisation	<input checked="" type="checkbox"/>	Field visit on Capital Market	To educate the Knowledge of monetary concept and theories
13	Elective Course I: b) Development Economics	FC2034	<input checked="" type="checkbox"/>	Peer teaching on Obstacles to Economic Development			<input checked="" type="checkbox"/>	Group discussion on Unbalanced Growth approach	To educate the theoretical knowledge
14	Elective Course I: c) Political Economy	FC2035	<input checked="" type="checkbox"/>	Role Play on Perspective on political economy with a historical overview			<input checked="" type="checkbox"/>	Debate on Issues in environment and sustainability	To enable the students to learn political economy
15	Allied III: Mathematical Methods I	FA2031	<input checked="" type="checkbox"/>	Problem Solving on Operations with zero and one			<input checked="" type="checkbox"/>	Linear and NonLinear Problem Solving	To understand the Mathematical Methods in solving Problems and project completion
16	Major Core IV: Macro Economics II	FC2041	<input checked="" type="checkbox"/>	Group teaching on Types of investment			<input checked="" type="checkbox"/>	Group discussion on Laffer curve	To learn the Multiplier and Accelerator theories of Macroeconomics and trade cycle.
17	Elective II a) Entrepreneurial Development	FC2042	<input checked="" type="checkbox"/>	Role play on Marginal Efficiency of Capital	<input checked="" type="checkbox"/>	Model making on Small enterprises	<input checked="" type="checkbox"/>	Lecture method on Need, Objectives, Phases and Evaluation	To improve the knowledge of entrepreneurial techniques and methods.

18	Elective II b) Marketing Management	FC2043			<input checked="" type="checkbox"/>	Create an advertisement related to goods	<input checked="" type="checkbox"/>	Preparing chart on Forms of Marketing	To instill the marketing skills
19	Elective II c) Human Resource Management	FC2044	<input checked="" type="checkbox"/>	Role play on Recruitment	<input checked="" type="checkbox"/>	Mindmap on Industry	<input checked="" type="checkbox"/>	Role play on Role and organizations and changing technologies	To imbibe the skill of Human Resource Management
20	Allied IV: Mathematical Economics II	FA2041	<input checked="" type="checkbox"/>	Problem Solving on Marginal concept relating to Utility, Cost and Revenue (only simple problems)			<input checked="" type="checkbox"/>	Problem Solving on Basic rules of Integration	To develop the techniques and theories of Statistics and formula for calculation.
21	Foundation Course II: Personality Development	FCV202	<input checked="" type="checkbox"/>	Group discussion on Types qualities of a good leader	<input checked="" type="checkbox"/>	Group discussion on Characteristics of motivation	<input checked="" type="checkbox"/>	Group discussion on Types of self esteem	To improve the inner skills and talents
22	Major Core V: Indian Economy I	FC2051	<input checked="" type="checkbox"/>	Seminar on Inequalities of income nature and Magnitude of Population	<input checked="" type="checkbox"/>	Model making on Agricultural land	<input checked="" type="checkbox"/>	Written Assignment on Minimum support price and procurement price for agricultural goods	To understand the information about the Indian Economy and the resources in India.
23	Major Core VI: History of Economic Thought	FC2052	<input checked="" type="checkbox"/>	Group Discussion on Adam Smith division of Labour and Theory of Value	<input checked="" type="checkbox"/>	Poster making on M.K.Gandhi's Economic Ideas	<input checked="" type="checkbox"/>	Group discussion on Nature and Significance of Economic Thought	To understand the views and commitment of the Economist
24	Major Core VII: Fiscal Economics	FC2053	<input checked="" type="checkbox"/>	Preparing the home budget	<input checked="" type="checkbox"/>	Model making on Financial institution	<input checked="" type="checkbox"/>	Collect statistical data	To understand the various financial status
25	Major Core VIII: Tamil Nadu Economy	FC2054	<input checked="" type="checkbox"/>	Assignment on State Industries Promotion Corporation of Tamil Nadu Ltd (SIPCOT)	<input checked="" type="checkbox"/>	Field visit to uzhar chanthai Agricultural marketing	<input checked="" type="checkbox"/>	Collecting for statistical data on Current year Budget	To instill the knowledge of Tamil Nadu Economy
26	Major Core IX: Indian Economy II	FC2061	<input checked="" type="checkbox"/>	Group discussion on Advantages in infrastructure	<input checked="" type="checkbox"/>	Group discussion on Industrial Finance Institutions	<input checked="" type="checkbox"/>	Data collection on COVID 19 Pandemic and Indian Health Sector	To understand the information about the Indian Economy and the resources in India.
27	Major Core X: International Economics	FC2062	<input checked="" type="checkbox"/>	Seminar on Free and Fair Trade			<input checked="" type="checkbox"/>	Chart preparation on types of quotas	To improve knowledge of difference between internal trade and International Trade, the balance of payment and balance of trade.
28	Major Core XI: Economics of Development	FC2063	<input checked="" type="checkbox"/>	Group discussion on Doctrine of balanced and unbalanced growth			<input checked="" type="checkbox"/>	Peer teaching on the Ricardian Theory	To develop the knowledge of development theories and methods.
29	Major Core XII: Labour Economics	FC2064	<input checked="" type="checkbox"/>	Assignment on Unorganised labour in India	<input checked="" type="checkbox"/>	Role play on Agricultural labours	<input checked="" type="checkbox"/>	Short video making for industrial labour	To understand the knowledge of labour economics
30	Elective III a) Principles of Marketing	FC2065	<input checked="" type="checkbox"/>	Sales on Consumer goods	<input checked="" type="checkbox"/>	Preparing advertisement	<input checked="" type="checkbox"/>	Assignment related to selling strategies	To improve the entrepreneurial skill
31	Elective III b) Financial Economics	FC2066	<input checked="" type="checkbox"/>	Peer teaching on Measuring portfolio return and risks	<input checked="" type="checkbox"/>	Group discussion on Absolute and relative risk aversions	<input checked="" type="checkbox"/>	Group discussion on Fisher Separation Theorem	To develop the ideas related with capital market
32	Elective III c) Ecology and Economic Development	FC2067	<input checked="" type="checkbox"/>	Model making on Environmental pollution			<input checked="" type="checkbox"/>	Exhibition on Energy resources	To expose the students to understand the environmental problems
33	Skill Enhancement Course (SEC): Basic Accountancy	FSK206	<input checked="" type="checkbox"/>	Assignment on Double Entry System of Book Keeping			<input checked="" type="checkbox"/>	Ledger preparation	To develop the basic concepts of accountancy
34	SLC Health Economics	FC20S1	<input checked="" type="checkbox"/>	Group discussion on production cost			<input checked="" type="checkbox"/>	Group discussion on production cost	To improve the knowledge about the health issues and remedies
35	SLC Human Development	FC20S2	<input checked="" type="checkbox"/>	Debate on Human resources			<input checked="" type="checkbox"/>	Peer teaching on political economy	To develop the human resource development
36	Core Course I: Advanced Micro Economics	FP231CC1	<input checked="" type="checkbox"/>	Peer teaching on Slutsky's Decomposition of price effect into substitution effect and income effect	<input checked="" type="checkbox"/>	Case Study on Price	<input checked="" type="checkbox"/>	Poster presentation on cardinal ordinal utility	To get the knowledge of micro economics

37	Core Course II: Indian Economic Development and Policy	FP231CC2	<input checked="" type="checkbox"/>	Group discussion on Agricultural and Industrial Sectors	<input checked="" type="checkbox"/>	Role play on Gender gap in India	<input checked="" type="checkbox"/>	Exhibition on manufacturing sector	To know the structural changes and economic policies in the Indian Economy
38	Core Course III: Statistics for Economists	FP231CC3	<input checked="" type="checkbox"/>	Sample Test on Types of Sampling			<input checked="" type="checkbox"/>	Group discussion on Deductive Method	To educate the problem solving methods
39	Elective Course I: a) Modern Economic Thought	FP 231EC1	<input checked="" type="checkbox"/>	Mindmap on Imperfect Competition	<input checked="" type="checkbox"/>	Role play on Role of Entrepreneur	<input checked="" type="checkbox"/>	Group discussion on Quantity theory of Money	To get the Knowledge of classical and neo classical economic thought
40	Elective Course I: b) Rural Economics	FP231EC2	<input checked="" type="checkbox"/>	Debate on Factors Affecting Rural Growth	<input checked="" type="checkbox"/>	Roleplay on LewisFeiRanis	<input checked="" type="checkbox"/>	Seminar on Rural Resources: Nature, Types and Magnitude	To identify the problems in th rural areas
41	Elective Course II: a) Regional Economics	FP231EC4	<input checked="" type="checkbox"/>	Peer teaching on Types of regions			<input checked="" type="checkbox"/>	Group discussion on export base models	To improve the theoretical knowledge on regional economics
42	Elective Course II: b) Welfare Economics	FP231EC5	<input checked="" type="checkbox"/>	Group discussion on General Equilibrium of Production and Exchange			<input checked="" type="checkbox"/>	Debate on Individual and Social Welfare	To improve the knowledge through theoretical experiences
43	Core IX Advanced Macro Economics	PF2031	<input checked="" type="checkbox"/>	Group teaching on National Income and social Accounting	<input checked="" type="checkbox"/>	Group discussion on Trade cycle	<input checked="" type="checkbox"/>	Group discussion on Determinants of consumption function	To educate the remedies for economical problems
44	Core X International Economics	PF2032	<input checked="" type="checkbox"/>	Role play on Factors determining the gains from trade	<input checked="" type="checkbox"/>	Group Discussion on Disequilibrium in Balance of Payment Adjustment mechanism	<input checked="" type="checkbox"/>	Chart preparation on Trade	To educate the international trade with techniques
45	Core XI Entrepreneurial Development	PF2033	<input checked="" type="checkbox"/>	Role Play on Women Entrepreneurship	<input checked="" type="checkbox"/>	Model making on Innovation	<input checked="" type="checkbox"/>	Sales through home made food items	To enhance the practical skills
46	Elective III a) Agricultural Economics	PF2034	<input checked="" type="checkbox"/>	Case Study on Agriculture and Industry Comparison			<input checked="" type="checkbox"/>	Practical experience	To instill the knowledge of revolutions in India
47	Elective III b) Financial Economics	PF2035	<input checked="" type="checkbox"/>	Group discussion on Indicators of financial development	<input checked="" type="checkbox"/>	Model making on SEBI	<input checked="" type="checkbox"/>	Model making on Bank	To identify the financial constraints in economics
48	Elective III c) Managerial Economics	PF2036	<input checked="" type="checkbox"/>	Peer teaching on Application of Elasticity in Managerial Decision	<input checked="" type="checkbox"/>	Role play on role of Managerial Economist in Business Decision making	<input checked="" type="checkbox"/>	Group discussion on Subject matter of Managerial Economics	To improve the knowledge on business decision making
49	CoreXII Monetary Economics	PF2041	<input checked="" type="checkbox"/>	Model making on Reserve bank of India			<input checked="" type="checkbox"/>	Assignment on Measures of money supply	To educate the financial instruments in day to day life
50	Core XIII Environmental Economics	PF2042	<input checked="" type="checkbox"/>	Group discussion on Imperfect market problems	<input checked="" type="checkbox"/>	Debate on Environmental quality and Economic development	<input checked="" type="checkbox"/>	Group discussion on Regulation and prohibition Taxes	To educate the awareness on pollution
51	Core XIV Industrial Economics	PF2043	<input checked="" type="checkbox"/>	Peer Teaching on Objectives of Industrial Policies	<input checked="" type="checkbox"/>	Role play on Small Scale Enterprises	<input checked="" type="checkbox"/>	Lecture on Fund flow statement and cash flow statement	To expose the various industries in a region
52	Core XV Public Economics	PF2044	<input checked="" type="checkbox"/>	Group Teaching on Classification of Public Revenue			<input checked="" type="checkbox"/>	Group discussion on Federal Finance	To understand the various industrial revolution and policies
53	Elective IV a) Rural Development	PF2045	<input checked="" type="checkbox"/>	Snap Test on the Employment Assurance SchemesThe Employment Assurance Schemes	<input checked="" type="checkbox"/>	Peer teaching role of Poverty and Unemployment	<input checked="" type="checkbox"/>	Group discussion on Rural industries and employment generation	To educate the importance organic production
54	Elective IV b) Demography	PF2046	<input checked="" type="checkbox"/>	Oral presentation on Factors effecting morality			<input checked="" type="checkbox"/>	Preparing project report on projection of population in India	To improve the knowledge on population studies
55	Elective IV c) Computer Applications in Economics	PF2047	<input checked="" type="checkbox"/>	Practical on Basic components of computer	<input checked="" type="checkbox"/>	Debate on Advantages of networks	<input checked="" type="checkbox"/>	Group discussion on Types of Data processing	To educate the computer skills
56	SLC Demography	PF20S1	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To educate the knowledge on benefits on small families
57	SLC Economics of Tourism and Management	PF20S2	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To identify the various tourist places and the impact of tourism

58	Core Course IV: Monetary Economics	FP232CC1	<input checked="" type="checkbox"/>	Group discussion on demand for money		<input checked="" type="checkbox"/>	Group discussion on demand for money	To instill the issues of modern monetary economics
59	Core Course V: Labour Economics	FP232CC2	<input checked="" type="checkbox"/>	Peer teaching on labour market		<input checked="" type="checkbox"/>	Self study on labour market	To analyse the impact of labour policy
60	Core Course VI: Mathematical Economics	FP232CC3	<input checked="" type="checkbox"/>	Group discussion on order relations	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on derivatives Group discussion on basic concepts on convergence	To apply the mathematical methods in economic theories
61	Elective Course III : a) Gender Economics	FP232 EC1	<input checked="" type="checkbox"/>	Group discussion on women work	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on gender studies Poster presentation on women empowerment	To analyse the role of women in economic development
62	Elective Course III: b) Urban Economics	FP232 EC2	<input checked="" type="checkbox"/>	Peer teaching on urban economics	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Peer teaching on urban methods Group discussion on migration	To understand the various theories of urban economics
63	Elective Course III: c) Social Entrepreneurship in Health and Hygiene	FP232 EC3	<input checked="" type="checkbox"/>	Sales through home products	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Album making on women entrepreneurs Debate on migration	To attain knowledge about social entrepreneurship
64	Elective Course IV : a) Resource Economics	FP232 EC4	<input checked="" type="checkbox"/>	Debate on resources		<input checked="" type="checkbox"/>	Group discussion on land resources	To understand the resources of economics
65	Elective Course IV : b) Economics of Climate Change	FP232EC5	<input checked="" type="checkbox"/>	Field visit on climatic changes		<input checked="" type="checkbox"/>	Poster presentation on climate change	To assess the climate change negotiations
66	Elective Course IV : c) Population Studies	FP232EC6	<input checked="" type="checkbox"/>	Group discussion on population studies		<input checked="" type="checkbox"/>	Poster Presentation on social ethics	To examine the various population dynamics
67	Skill Enhancement Course I : Social Ethics and Responsibilities , Women Empowerment, Disability, Social Inclusion	FP232SE1	<input checked="" type="checkbox"/>	Group discussion on social ethics		<input checked="" type="checkbox"/>	Group discussion on social ethics	To equip the students with social responsibility
<b>2022-2023</b>								
68	Major Core I: Micro Economics I	FC2011	<input checked="" type="checkbox"/>	Mindmap on Scope, importance and limitations	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Role play on Division of labour Group Discussion on Classification of human wants	To learn the basic theories of Economics and consumption and demand, supply and utility
69	Allied I: Economic Statistics I	FA2011	<input checked="" type="checkbox"/>	Peer teaching on Characteristics of statistics		<input checked="" type="checkbox"/>	Collect survey	To obtain the concepts of Statistics and formula for calculation.
70	Non Major Elective (NME): General Economics I	FNM201	<input checked="" type="checkbox"/>	Group Teaching on Market supply	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Virtual Learning on Law of demand Brainstorming	To know the concepts of Economics and for day to day life.
71	Major Core II: Micro Economics II	FC2021	<input checked="" type="checkbox"/>	Relationship between MC and AC PPT	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Discussion Panel on Monopoly Group discussion on MC AC	To identify the information about the market structure and distribution theories
72	Allied II: Economic Statistics II	FA2021	<input checked="" type="checkbox"/>	Problem solving on Probability	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Student teaching Problem Based learning	To obtain the techniques and theories of Statistics and formula for calculation.
73	Non Major Elective Course (NME): General Economics II	FNM202	<input checked="" type="checkbox"/>	Powerpoint on Types of money	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Student teaching Pros and cons grid	To educate the theories of Economics and consumer behavior for day to day life.
74	Major Core III: Macro Economics I	FC2031	<input checked="" type="checkbox"/>	Role play on Types of unemployment	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Model making on Circular flow of income Group discussion on micro analysis	To learn the basic concepts of Macroeconomics and measuring the National income
75	Elective I: a) Monetary Economics	FC 2032	<input checked="" type="checkbox"/>	Oral presentation on Imperfect Competition	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on Growth, inequality and exclusion Group discussion on Defects of Capital Market	To educate the Knowledge of monetary concept and theories

76	Elective I: b) Development Economics	FC 2034	<input checked="" type="checkbox"/>	Peer teaching on Characteristics of Less Development			<input checked="" type="checkbox"/>	Group discussion on Theory of Ricardo and the Theory of Malthu	To improve the theoretical knowledge on development economics
77	Elective I: c) Political Economy	FC 2035	<input checked="" type="checkbox"/>	Role Play on Perspective on political economy with a historical overview			<input checked="" type="checkbox"/>	Debate on Issues in environment and sustainability	To understand the concepts of political economy
78	Allied III: Mathematical Methods I	FA2031	<input checked="" type="checkbox"/>	Problem Solving on Ratios and percentage			<input checked="" type="checkbox"/>	Problem Solving on Linear and NonLinear	To understand the Mathematical Methods in solving Problems and project completion
79	Major Core IV: Macro Economics II	FC2041	<input checked="" type="checkbox"/>	Group teaching on Types of investment			<input checked="" type="checkbox"/>	Group discussion on Kaldor's Theory of Distribution	To learn the Multiplier an Accelerator theories of Macroeconomics and trade cycle.
80	Elective II: a) Entrepreneurial Development	FC2042	<input checked="" type="checkbox"/>	Peer teaching on Industrial Credit & Investment, Corporation of India	<input checked="" type="checkbox"/>	Model making on Social Entrepreneurship	<input checked="" type="checkbox"/>	Project Proposal Preparing a project proposal	To improve the knowledge of entrepreneurial techniques and methods.
81	Elective II: b) Marketing Management	FC2043			<input checked="" type="checkbox"/>	Advertisement	<input checked="" type="checkbox"/>	Preparing chart on New concept of Marketing	To know the various sales proceeds
82	Elective II: c) Human Resource Management	FC2044	<input checked="" type="checkbox"/>	Role play on Manpower forecasting	<input checked="" type="checkbox"/>	Group discussion on Current trends in Industrial relations	<input checked="" type="checkbox"/>	Peer teaching	To understand the trade unions
83	Allied IV: Mathematical Economics II	FA2041	<input checked="" type="checkbox"/>	Problem Solving on Partial Derivatives in two variables	<input checked="" type="checkbox"/>	Group discussion on forms of straight line	<input checked="" type="checkbox"/>	Problem Solving	To develop the techniques and theories of Statistics and formula for calculation.
84	Foundation Course II: Personality Development	FCV202	<input checked="" type="checkbox"/>	Group discussion on motivation	<input checked="" type="checkbox"/>	Group discussion on Types of motivation	<input checked="" type="checkbox"/>	Conversation	To improve the inner skills and talents
85	Major Core V: Indian Economy I	FC2051	<input checked="" type="checkbox"/>	Group discussion on Leadership and team building	<input checked="" type="checkbox"/>	Role play on agricultural labours	<input checked="" type="checkbox"/>	Group discussion on Objectives and instrument of agricultural price policy	To understand the information about the Indian Economy and the resources in India.
86	Major Core VI: History of Economic Thought	FC2052	<input checked="" type="checkbox"/>	Group Discussion on Main ideas of Physiocrats	<input checked="" type="checkbox"/>	Poster making on Dadabhai Naroji's Economic ideas	<input checked="" type="checkbox"/>	Group discussion on T.N. Srinivasan's contribution	To understand the views and commitment of the Economist
87	Major Core VII: Fiscal Economics	FC2053	<input checked="" type="checkbox"/>	Preparing the home budget	<input checked="" type="checkbox"/>	Model making on financial institution	<input checked="" type="checkbox"/>	Collect statistical data	To understand the various financial status
88	Major Core VIII: Tamil Nadu Economy	FC2054	<input checked="" type="checkbox"/>	Visit for uzhar chanthai	<input checked="" type="checkbox"/>	Collect data on Forests and Monsoon	<input checked="" type="checkbox"/>	Group discussion on Functions and Objective	To instill the knowledge of Tamil Nadu Economy
89	Foundation Course III: Human Rights Education	FCV203	<input checked="" type="checkbox"/>	Skit on Political rights of Indian citizen	<input checked="" type="checkbox"/>	Mime on women in India	<input checked="" type="checkbox"/>	Group discussion on Untouchability	To develop the human rights
90	Major Core IX: Indian Economy II	FC2061	<input checked="" type="checkbox"/>	Group discussion on Microenterprises	<input checked="" type="checkbox"/>	seminar on Industrial Finance Institutions	<input checked="" type="checkbox"/>	Group discussion on Sickness in Indian Industry	To understand the information about the Indian Economy and the resources in India.
91	Major Core X: International Economics	FC2062	<input checked="" type="checkbox"/>	Role play on Differences between internal trade and international trade			<input checked="" type="checkbox"/>	Group discussion on Metzler Theory	To improve knowledge of difference between internal trade and International Trade, the balance of payment and balance of trade.
92	Major Core XI: Economics of Development	FC2063	<input checked="" type="checkbox"/>	Group discussion on Rostow's Stages of Economic growth			<input checked="" type="checkbox"/>	Peer teaching on Meaning, Features and Differences	To develop the knowledge of development theories and methods.
93	Major Core XII: Labour Economics	FC2064	<input checked="" type="checkbox"/>	Roleplay on Nature of labour problem	<input checked="" type="checkbox"/>	Role play on Agricultural labours	<input checked="" type="checkbox"/>	Short video making for industrial labour	To understand the knowledge of labour economics
94	Elective III: a) Principles of Marketing	FC2065	<input checked="" type="checkbox"/>	Sales of Echo products	<input checked="" type="checkbox"/>	Preparing advertisement	<input checked="" type="checkbox"/>	Debate on Differences between Selling and Marketing	To improve the entrepreneurial skill
95	Elective III: b) Financial Economics	FC2066	<input checked="" type="checkbox"/>	Peer teaching on minimum variance opportunity set	<input checked="" type="checkbox"/>	Group discussion on Absolute and relative risk aversions	<input checked="" type="checkbox"/>	Group discussion on Capital markets	To develop the ideas related with capital market

96	Elective III: c) Ecology and Economic Development	FC2067	<input checked="" type="checkbox"/>	Role play on Environmental quality as a public good		<input checked="" type="checkbox"/>	Mindmap on EcoSystem	To expose the students to understand the environmental problems
97	Skill Enhancement Course (SEC): Basic Accountancy	FSK206	<input checked="" type="checkbox"/>	Format making on Trial Balance		<input checked="" type="checkbox"/>	Preparing a model account on Classification of Accounts	To develop the basic concepts of accountancy
98	SLC: Health Economics	FC20S1	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		To improve the knowledge about the health issues and remedies
99	SLC: Human Development	FC20S2	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		To develop the human resource development
100	Core I: Micro Economic Analysis I	PF 2011	<input checked="" type="checkbox"/>	Snap test on CES and VES Production function	<input checked="" type="checkbox"/>	Group discussion on Excess capacity	Group discussion on indifference curve	To instill the knowledge of theories and characteristics of the firm
101	Core II: Recent Issues in Indian Economy	PF 2012	<input checked="" type="checkbox"/>	Group discussion on Density of population	<input checked="" type="checkbox"/>	Short answers on Evolution of the public sector	Album making on Growth and structure	To educate the recent issues in Indian Economy
102	Core III: Statistical Methods for Economics	PF 2013	<input checked="" type="checkbox"/>	Snap test on Types of regression			Weighted index number and unweighted tests of adequacy of index numbers PPT, Quiz	To educate the methods and formula for calculating complicated problems.
103	Core IV: Development Economics I	PF 2014	<input checked="" type="checkbox"/>	Oral presentation on Objectives of Industrial Policies	<input checked="" type="checkbox"/>	PPT on Plan Formulation and Requisites for successful Planning	Short video	To instill the knowledge of development theories and methods.
104	Elective I: a) Economics of Marketing	PF 2015	<input checked="" type="checkbox"/>	Lecture method on Marketing management and its environment	<input checked="" type="checkbox"/>	Demonstration on need for planning	Discussion on Product market strategy	To develop the theories, methods and importance of marketing.
105	Core V: Advance Micro Economics II	PF 2021	<input checked="" type="checkbox"/>	PPT presentation on Full cost Pricing	<input checked="" type="checkbox"/>	Group discussion on risk and Risk aversion	Team teaching on risk	To educate the theories and characteristics of the firm
106	Core VI: Quantitative methods for Economics	PF 2022	<input checked="" type="checkbox"/>	Group Teaching on Forms of sets	<input checked="" type="checkbox"/>	Discussion Panel on Minimisation of cost	Short video on derivatives	To develop the skills of mathematical methods
107	Core VII Development Economics II	PF 2023	<input checked="" type="checkbox"/>	Role play on Poverty			Seminar on Differences in human development index	To instill the knowledge of the development in Tamil Nadu
108	Core VIII: Research Methodology	PF 2024	<input checked="" type="checkbox"/>	Group Teaching on Motivation in Research			Assignment on selecting the problem	To acquire the knowledge of social issues
109	Elective II a) Human Resource Management	PF 2025	<input checked="" type="checkbox"/>	Snap test on Objectives and functions of HRM			seminar on need and importance	To develop the practical knowledge for developing the human resource management
110	Core IX: Advanced Macro Economics	PF2031	<input checked="" type="checkbox"/>	Group teaching on Objectives and functions of HRM	<input checked="" type="checkbox"/>	Discussion on payment	Preparing one word on Propensity to Consume and Marginal Propensity to Consume	To educate the remedies for economical problems
111	Core X: International Economics	PF2032	<input checked="" type="checkbox"/>	PPT Presentation on Gains from Trade	<input checked="" type="checkbox"/>	Group Discussion on Disequilibrium in Balance of Payment Adjustment mechanism	Role play on BOP	To educate the international trade with techniques
112	Core XI Entrepreneurial Development	PF2033	<input checked="" type="checkbox"/>	Video making on Role of Entrepreneurship	<input checked="" type="checkbox"/>	Model making on business	Sales practice	To enhance the practical skills
113	Elective III a) Agricultural Economics	PF2034	<input checked="" type="checkbox"/>	Video making on Role of Agriculture in India's Development			Practical experience on sales	To instill the knowledge of revolutions in India
114	Elective III b) Financial Economics	PF2035	<input checked="" type="checkbox"/>	Group discussion on Equilibrium in financial markets	<input checked="" type="checkbox"/>	Group discussion on Treasury bill market, Commercial bill market. Derivatives: Types, uses and pricing of derivatives	Seminar on measures taken to control their operations. Role and structure of money market and capital market	To understand the treasury bill market

115	Elective III c) Managerial Economics	PF2036	<input checked="" type="checkbox"/>	PPT on Income elasticity of Demand	<input checked="" type="checkbox"/>	Assignment on Features and Price determination under Perfect competition	<input checked="" type="checkbox"/>	Group discussion on Relation to other branches of knowledge, methods of Managerial Economics	To know the knowledge of managerial economics
116	Core XII Monetary Economics	PF2041	<input checked="" type="checkbox"/>	Model making on Financial institutions			<input checked="" type="checkbox"/>	Group discussion on Money Multiplier Process	To educate the financial instruments in day to day life
117	Core XIII Environmental Economics	PF2042	<input checked="" type="checkbox"/>	Debate on Role of environment in Economic Development	<input checked="" type="checkbox"/>	Seminar on Role of Managerial Economist in Business Decision making	<input checked="" type="checkbox"/>	Group discussion on Optimum recycling	To educate the awareness on pollution
118	Core XIV Industrial Economics	PF2043	<input checked="" type="checkbox"/>	Peer teaching on Large and Small firms factors determining optimum size	<input checked="" type="checkbox"/>	Group discussion on industrial policies	<input checked="" type="checkbox"/>	Lecture on FIFO, ABC analysis and EOQ	To expose the various industries in a region
119	Core XV Public Economics	PF2044	<input checked="" type="checkbox"/>	Snap test on Nature, scope and subject matter of Public Finance			<input checked="" type="checkbox"/>	Model making on nature	To understand the various industrial revolution and policies
120	Elective IV a) Rural Development	PF2045	<input checked="" type="checkbox"/>	Debate on Agrarian reforms	<input checked="" type="checkbox"/>	Peer teaching on rural areas	<input checked="" type="checkbox"/>	Group discussion on operating system	To educate the importance organic production
121	Elective IV b) Demography	PF2046	<input checked="" type="checkbox"/>	Group discussion on population growth			<input checked="" type="checkbox"/>	Group work on mortality measures	To know the level of population
122	Elective IV c) Computer Applications in Economics	PF2047	<input checked="" type="checkbox"/>	Practical session on basic computer	<input checked="" type="checkbox"/>	Assignment on Current trends of KVI	<input checked="" type="checkbox"/>	Group discussion on Software concepts, Types of software	To instill the knowledge of software
123	SLC: Demography	PF20S1	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	Peer teaching on census methods	<input checked="" type="checkbox"/>	Group discussion on census method	To educate the knowledge on benefits on small families
124	SLC: Economics of Tourism and Management	PF20S2	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	Field visit on markets	<input checked="" type="checkbox"/>	Field visit on tourist places	To identify the various tourist places and the impact of tourism
2021-2022									
125	Major Core I: Micro Economics I	FC2011	<input checked="" type="checkbox"/>	Mindmap on Basic concepts	<input checked="" type="checkbox"/>	Lecture with PPT on factors of production	<input checked="" type="checkbox"/>	Group Discussion on Marginal Rate of Substitution	To learn the basic theories of Economics and consumption and demand, supply and utility
126	Allied I: Economic Statistics I	FA2011	<input checked="" type="checkbox"/>	Problemsolving on Index number			<input checked="" type="checkbox"/>	Survey on Types of classification	To obtain the concepts of Statistics and formula for calculation.
127	Non Major Elective (NME): General Economics I	FNM201	<input checked="" type="checkbox"/>	Group Teaching on Features of different markets	<input checked="" type="checkbox"/>	Virtual Learning on Law of demand	<input checked="" type="checkbox"/>	Brainstorming	To know the concepts of Economics and for day to day life.
128	Major Core II: Micro Economics II	FC2021	<input checked="" type="checkbox"/>	PPT on Relationship between MC and AC Curves	<input checked="" type="checkbox"/>	Discussion Panel on theories of Interest	<input checked="" type="checkbox"/>	Group discussion on cost benefit analysis	To identify the information about the market structure and distribution theories
129	Allied II: Economic Statistics II	FA2021	<input checked="" type="checkbox"/>	Snap Test on Utility of time series analysis	<input checked="" type="checkbox"/>	Group discussion on Difficulties in the construction of Index numbers	<input checked="" type="checkbox"/>	Problem Based learning on Karl Pearson's Coefficient	To obtain the techniques and theories of Statistics and formula for calculation.
130	Non Major Elective Course (NME): General Economics , II	FNM202	<input checked="" type="checkbox"/>	Powerpoint on Types of money	<input checked="" type="checkbox"/>	Group discussion on Unemployment	<input checked="" type="checkbox"/>	Pros and cons grid on GATT	To educate the theories of Economics and consumer behavior for day to day life.
131	Major Core III: Macro Economics , I	FC2031	<input checked="" type="checkbox"/>	Snap test on Say's law of Markets	<input checked="" type="checkbox"/>	Group Discussion on Keynes' psychological law of consumption	<input checked="" type="checkbox"/>	Album making on micro authors	To learn the basic concepts of Macroeconomics and measuring the National income
132	Elective I a) Monetary Economics	FC 2032	<input checked="" type="checkbox"/>	Peer teaching on Three Dimensional Utility	<input checked="" type="checkbox"/>	Assignment on The Social Dimension of Globalisation and uneven development	<input checked="" type="checkbox"/>	Debate on Difference between Capital market and Money market	To educate the Knowledge of monetary concept and theories
133	Elective I b) Development Economics	FC 2034	<input checked="" type="checkbox"/>	Peer teaching on Characteristics of Less Development			<input checked="" type="checkbox"/>	Group discussion on Unbalanced Growth approach	To understand the knowledge of theories

134	Elective I c) Political Economy	FC 2035	<input checked="" type="checkbox"/>	Markets and labour process: the changing nature of job security and labour rights Role Play		<input checked="" type="checkbox"/>	Globalisation Debate	To learn the political economy
135	Allied III: Mathematical Methods I	FA2031	<input checked="" type="checkbox"/>	Problem Solving on Binomial expansions		<input checked="" type="checkbox"/>	Problem Solving on Linear and NonLinear	To understand the Mathematical Methods in solving Problems and project completion
136	Major Core IV: Macro Economics , II	FC2041	<input checked="" type="checkbox"/>	Group teaching on Marginal Efficiency of Investment		<input checked="" type="checkbox"/>	Group discussion on Tax induced change in Aggregate Supply	To learn the Multiplier an Accelerator theories of Macroeconomics and trade cycle.
137	Elective II a) Entrepreneurial Development	FC2042	<input checked="" type="checkbox"/>	Group discussion on commercial bank	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on Nidhi Yoyak Guidelines	To improve the knowledge of Entrepreneurial techniques and methods
138	Elective II b) Marketing Management	FC2043			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Preparing chart on Marketing: Relationship concept	To know the various medias of advertising
139	Elective II c)Human Resource Management	FC2044	<input checked="" type="checkbox"/>	Role play on Qualitative aspects, Levels of HRP	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Peer teaching on Objectives and function of HRM	To enable the students to acquire skills needed for carrier
140	Allied IV: Mathematical Economics , II	FA2041	<input checked="" type="checkbox"/>	Problem Solving on Cost and Revenue		<input checked="" type="checkbox"/>	Problem Solving on Application of derivatives	To develop the techniques and theories of Statistics and formula for calculation.
141	Core I Micro Economic Analysis I	PF 2011	<input checked="" type="checkbox"/>	Role play on Qualities of a good leader	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Mind map on Modern utility analysis	To instill the knowledge of theories and characteristics of the firm
142	Core II Recent Issues in Indian Economy	PF 2012	<input checked="" type="checkbox"/>	Peer teaching on Economic Reforms	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Album making on Recent reforms in National Income Accounting	To educate the recent issues in Indian Economy
143	Core III Statistical Methods for Economics	PF 2013	<input checked="" type="checkbox"/>	Problem Solving on Regression		<input checked="" type="checkbox"/>	Group discussion on Different types of random and nonrandom sampling	To educate the methods and formula for calculating complicated problems.
144	Core IV Development Economics I	PF 2014	<input checked="" type="checkbox"/>	Oral presentation on Harrod and Domar, instability of equilibrium	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Short video making on Shadow Prices and project evaluation	To instill the knowledge of development theories and methods.
145	Elective I a) Economics of Marketing	PF 2015	<input checked="" type="checkbox"/>	Lecture method on Marketing management and its environment	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Discussion on Product Warranty, Service facilities	To develop the theories, methods and importance of marketing.
146	Core V Advance Micro Economics II	PF 2021	<input checked="" type="checkbox"/>	Group discussion on Marginal Productivity theory	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on Asymmetric information	To educate the theories and characteristics of the firm
147	Core VI Quantitative methods for Economics	PF 2022	<input checked="" type="checkbox"/>	Group Teaching on Venn diagram	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Short video on Solutions of Simultaneous equations through Cramer's rule	To develop the skills of mathematical methods
148	Core VII Development Economics II	PF 2023	<input checked="" type="checkbox"/>	PPT Presentation on Vicious circle of poverty		<input checked="" type="checkbox"/>	Group discussion on Keynesian theory	To instill the knowledge of the development in Tamil Nadu
149	Core VIII Research Methodology	PF 2024	<input checked="" type="checkbox"/>	Group Teaching on Criteria of Good Research		<input checked="" type="checkbox"/>	Primary Data Data should be collected for women workers	To acquire the knowledge of social issues
150	Elective II a) Human Resource Management	PF 2025	<input checked="" type="checkbox"/>	Role play on Qualities of HR manager		<input checked="" type="checkbox"/>	Demonstration on Organizational plan	To develop the practical knowledge for developing the human resource management
151	Core IX Advanced Macro Economics	PF2031	<input checked="" type="checkbox"/>	Group teaching on Measurement and problems in National Income Accounting	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Group discussion on Theories of Consumption Function	To educate the remedies for economical problems

152	Core X International Economics	PF2032	<input checked="" type="checkbox"/>	PPT Presentation on Gains from Trade	<input checked="" type="checkbox"/>	Group Discussion on Disequilibrium in Balance of Payment Adjustment mechanism	<input checked="" type="checkbox"/>	Role play on Exchange Control	To educate the international trade with techniques
153	Core XI Entrepreneurial Development	PF2033	<input checked="" type="checkbox"/>	Report writing on Project Formulation	<input checked="" type="checkbox"/>	Model making on Women Entrepreneurship	<input checked="" type="checkbox"/>	Sales through home made food items	To enhance the practical skills
154	Elective III a) Agricultural Economics	PF2034	<input checked="" type="checkbox"/>	Writeup on Role of Agriculture in India's Development			<input checked="" type="checkbox"/>	Practical experience on Efficiency relations in Indian agriculture	To instill the knowledge of revolutions in India
155	Elective III b) Financial Economics	PF2035	<input checked="" type="checkbox"/>	Oral presentation on Theories of interest rate	<input checked="" type="checkbox"/>	Role play on SEBI	<input checked="" type="checkbox"/>	Seminar on Treasury bill market	To know the values of financial economics
156	Elective III c) Managerial Economics	PF2036	<input checked="" type="checkbox"/>	Debate on Demand Determinants	<input checked="" type="checkbox"/>	Group discussion on Discriminating monopoly	<input checked="" type="checkbox"/>	Group discussion on Relation to other branches of knowledge	To understand the managerial economics methods
157	CoreXII Monetary Economics	PF2041	<input checked="" type="checkbox"/>	Model making on Role of central bank			<input checked="" type="checkbox"/>	Group discussion on Measures of money supply	To educate the financial instruments in day to day life
158	Core XIII Environmental Economics	PF2042	<input checked="" type="checkbox"/>	PPT on Market failure and externality	<input checked="" type="checkbox"/>	Group discussion on Cost benefit analysis	<input checked="" type="checkbox"/>	Group discussion on Integrated Waste Management System	To educate the awareness on pollution
159	Core XIV Industrial Economics	PF2043	<input checked="" type="checkbox"/>	Group discussion on Theories of industrial location	<input checked="" type="checkbox"/>	Group discussion on FEMA	<input checked="" type="checkbox"/>	Lecture on Fund flow statement and cash flow statement	To expose the various industries in a region
160	Core XV Public Economics	PF2044	<input checked="" type="checkbox"/>	Snap Test on Public Finance and Private Finance			<input checked="" type="checkbox"/>	Collect five year budgets on Budgeting in India	To understand the various industrial revolution and policies
161	Elective IV a) Rural Development	PF2045	<input checked="" type="checkbox"/>	Debate on Rural transport	<input checked="" type="checkbox"/>	Role play on Role of Poverty and Unemployment	<input checked="" type="checkbox"/>	Demonstration on Rural industries	To educate the importance organic production
162	Elective IV b) Demography	PF2046	<input checked="" type="checkbox"/>	Composition of population social economic composition snaptest			<input checked="" type="checkbox"/>	Assignment on Methods of population presentation	To understand the population studies
163	Elective IV c) Computer Applications in Economics	PF2047	<input checked="" type="checkbox"/>	Practical on Input output device	<input checked="" type="checkbox"/>	Model making on LAN, MAN, WAN	<input checked="" type="checkbox"/>	Group discussion on Different system software	To know the operating system
164	SLC: Demography	PF20S1	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To educate the knowledge on benefits on small families
165	SLC: Economics of Tourism and Management	PF20S2	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To identify the various tourist places and the impact of tourism
<b>2020-2021</b>									
166	Major Core I: Micro Economics I	FC2011	<input checked="" type="checkbox"/>	Snap test on Engel's law of family expenditure	<input checked="" type="checkbox"/>	Lecture with PPT on production	<input checked="" type="checkbox"/>	GroupDiscussion	To learn the basic theories of Economics and consumption and demand, supply and utility
167	Allied I: Economic Statistics I	FA2011	<input checked="" type="checkbox"/>	Snap test on Importance of Statistics			<input checked="" type="checkbox"/>	Survey on sensus and sampling	To obtain the concepts of Statistics and formula for calculation.
168	Non Major Elective (NME): General Economics I	FNM201	<input checked="" type="checkbox"/>	Group Teaching on Types of goods	<input checked="" type="checkbox"/>	Virtual Learning on demand	<input checked="" type="checkbox"/>	Brainstorming	To know the concepts of Economics and for day to day life.
169	Major Core II: Micro Economics II	FC2021	<input checked="" type="checkbox"/>	Monopolistic Competition Presentation	<input checked="" type="checkbox"/>	Wage fund theory Discussion Pannel	<input checked="" type="checkbox"/>	Group discussion on perfect competition	To identify the information about the market structure and distribution theories
170	Allied II: Economic Statistics II	FA2021	<input checked="" type="checkbox"/>	Group teaching on Differences between Correlation and Regression	<input checked="" type="checkbox"/>	Group discussion on Difficulties in the construction of Index numbers	<input checked="" type="checkbox"/>	Problem Based learning	To obtain the techniques and theories of Statistics and formula for calculation.
171	Non Major Elective Course (NME): General Economics , II	FNM202	<input checked="" type="checkbox"/>	Powerpoint on Monetary policy	<input checked="" type="checkbox"/>	Roleplay on Unemployment	<input checked="" type="checkbox"/>	Pros and cons grid on WTO	To educate the theories of Economics and consumer behavior for day to day life.

172	Major Core III: Mathematical Methods I	FC1731	<input checked="" type="checkbox"/>	Peer teaching on Algebraic symbolism		<input checked="" type="checkbox"/>	Preparing chart on Venn diagram	To develop the problem solving skill
173	Major Core IV: Monetary Economics	FC1732	<input checked="" type="checkbox"/>	Ppt on Kinds of money	<input checked="" type="checkbox"/>	Demonstration on Deflation	Group Discussion on Hawtrey's monetary theory	To identify the functions of banks
174	Allied III: Entrepreneurial Development	FA1731	<input checked="" type="checkbox"/>	Group Teaching on Women Entrepreneurship	<input checked="" type="checkbox"/>	Peer teaching on Small Industries Development Corporation (SIDCO) in Tamilnadu	Group discussion on Theories of Motivation	To educate the different business management
175	Major Core V: Mathematical Methods II	FC1741	<input checked="" type="checkbox"/>	Lecture method on Application of Straight lines in Economics	<input checked="" type="checkbox"/>	Group Discussion on Operations of Matrices	Problem solving on Application of partial derivative	To develop the problem solving skill
176	Major Core VI: Economics of Banking	FC1742	<input checked="" type="checkbox"/>	Snap test on Functions of a Central Bank	<input checked="" type="checkbox"/>	Field visit on Process of crossing a cheque	Field visit on Ebanking transactions	To identify the functions of banks
177	Allied IV: Introduction to Accounting with Tally	FA1741	<input checked="" type="checkbox"/>	Practical on Principles of Double entry system	<input checked="" type="checkbox"/>	Practical on Profit and Loss a/c and Balance sheet using Tally	Practical on Profit and Loss a/c and Balance sheet using Tally	To develop the skill
178	Major Core VII: Macro Economics I	FC1751	<input checked="" type="checkbox"/>	Group Teaching on Economic analysis Meaning and Definition	<input checked="" type="checkbox"/>	Group discussion on Working of multiplier	Group discussion on Keynes' psychological law of consumption	To identify the problems in the economy
179	Major Core VIII: Indian Economy I	FC1752	<input checked="" type="checkbox"/>	Snap test on Human Resources Nature and importance	<input checked="" type="checkbox"/>	Group discussion on Objectives and instrument of agricultural price policy	Role play on Poverty	To evaluate the economical problems in India
180	Major Core IX: International Economics , I	FC1753	<input checked="" type="checkbox"/>	Peer teaching on Differences between internal trade and international trade	<input checked="" type="checkbox"/>	Lecture with PPT on Foreign Capital and Economic Development	Group discussion on Distribution of gain	To educate the barriers in the International trade
181	Elective I: a) Research Methodology	FC1754	<input checked="" type="checkbox"/>	Group discussion on Evaluation Research	<input checked="" type="checkbox"/>	Collect sample data on Different types of sampling	Group discussion on Tabulation	To improve the analytical skills
182	Elective I: b) Economics of Social Issues	FC1755	<input checked="" type="checkbox"/>	Snap test on Requisites of Economic Growth	<input checked="" type="checkbox"/>	Book review on Protection from Business Manipulation	Book review on Energy Crisis and related issues	To improve the problem solving skills on social issues
183	Elective I: c) Labour Economics	FC1756	<input checked="" type="checkbox"/>	Group Teaching on Human Resource Planning	<input checked="" type="checkbox"/>	Group discussion on pattern	Group discussion on pattern and structure	To know the various policies of labour Economics
184	Skill Based Course (*SBC): Verbal and Nonverbal Reasoning	FCSK51	<input checked="" type="checkbox"/>	Reprot writing on Figure matrix			Problem solving on analogy	To face the group exams
185	Major Core X: Macro Economics II	FC1761	<input checked="" type="checkbox"/>	Snap test on Transitivity theory			Group discussion on transitivity method	To identify the national problems
186	Major Core XI: Indian Economy II	FC1762	<input checked="" type="checkbox"/>	Group Teaching on Micro, Medium and small enterprises	<input checked="" type="checkbox"/>	Group discussion on Industrial Finance Institutions	Short video on Future prospects of IT industry	To educate the importance of Indian Economy
187	Major Core XII: International Economics II	FC1763	<input checked="" type="checkbox"/>	Peer teaching on Mint parity theory	<input checked="" type="checkbox"/>	Short video on SAARC	Video presentation on IBRD	To face the challenges in the trade
188	Major Core XIII: Economics of Development and planning	FC1764	<input checked="" type="checkbox"/>	Group Teaching on economic growth	<input checked="" type="checkbox"/>	Group discussion on planning machinery	Group discussion on planning machinery	To instill the knowledge of Development and growth
189	Elective II: a) Public Finance	FC1765	<input checked="" type="checkbox"/>	Preparing budget	<input checked="" type="checkbox"/>	Peer teaching on public debt	Model making on preparing budget	To understand the Impact of government policies and the society of economy
190	Elective II: b) Ecology and Economic Development	FC1766	<input checked="" type="checkbox"/>	Group discussion on Scope of Ecology and Economic Development	<input checked="" type="checkbox"/>	Demonstration on Environmental Problem of Urbanisation	Group discussion on Growth and Environmental Quality	To educate solve the environmental problem

191	Elective II: c) Computer Applications in Economics	FC1767	<input checked="" type="checkbox"/>	Seminar on components of computer		<input checked="" type="checkbox"/>	Practical on Creating a new work book	To gain practical knowledge of computer application in Economics
192	Skill Based Course (*SBC): Home Management	FCSK61	<input checked="" type="checkbox"/>	Practical on management process	<input checked="" type="checkbox"/>	Group activity on Flower bouquet	Model making on Household appliances	To create a happy and supportive home environment
193	Core I Micro Economic Analysis I	PF 2011	<input checked="" type="checkbox"/>	Peer teaching on perfect competition	<input checked="" type="checkbox"/>	PPT on perfect competition	Group discussion on perfect competition	To instill the knowledge of theories and characteristics of the firm
194	Core II Recent Issues in Indian Economy	PF 2012	<input checked="" type="checkbox"/>	Seminar on demography	<input checked="" type="checkbox"/>	Peer teaching on economic reforms	Album making on Aims of Economic Policy	To educate the recent issues in Indian Economy
195	Core III Statistical Methods for Economics	PF 2013	<input checked="" type="checkbox"/>	Problem Solving on simple correlation	<input checked="" type="checkbox"/>		Problem solving on simple correlation	To educate the methods and formula for calculating complicated problems.
196	Core IV Development Economics I	PF 2014	<input checked="" type="checkbox"/>	Seminar on economic growth	<input checked="" type="checkbox"/>	Group discussion on need for planning	Group discussion on objective methods	To instill the knowledge of development theories and methods.
197	Elective I a) Economics of Marketing	PF 2015	<input checked="" type="checkbox"/>	Lecture on marketing environment	<input checked="" type="checkbox"/>	Demonstration on Advertisement	Discussion on Product Warranty	To develop the theories, methods and importance of marketing.
198	Core V Advance Micro Economics II	PF 2021	<input checked="" type="checkbox"/>	Arrow's theory of voting	<input checked="" type="checkbox"/>	Group discussion on risk and Risk aversion	Group discussion on risk	To educate the theories and characteristics of the firm
199	Core VI Quantitative methods for Economics	PF 2022	<input checked="" type="checkbox"/>	Group Teaching on nature and role of mathematics	<input checked="" type="checkbox"/>	Peer teaching on simple application of derivatives	Album making on group teaching	To develop the skills of mathematical methods
200	Core VII Development Economics II	PF 2023	<input checked="" type="checkbox"/>	Seminar on poverty			Poster presentation on poverty	To instill the knowledge of the development in Tamil Nadu
201	Core VIII Research Methodology	PF 2024	<input checked="" type="checkbox"/>	Group Teaching on research			Group discussion on research methods	To acquire the knowledge of social issues
202	Elective II a) Human Resource Management	PF 2025	<input checked="" type="checkbox"/>	assignment on human resource management			Group discussion on Human resource management	To develop the practical knowledge for developing the human resource management
203	Core IX: Macro Economics	PF1731	<input checked="" type="checkbox"/>	Group teaching on micro macro level enterprises	<input checked="" type="checkbox"/>	Group discussion on Trade cycle	Group discussion on micro analysis	To instill the theories of savings and investment
204	Core X: International Economics	PF1732	<input checked="" type="checkbox"/>	assignment on international trade	<input checked="" type="checkbox"/>	Group Discussion on types of foreign trade	Role play on Trade	To understand the concept and theories of International Economics
205	Core XI: Entrepreneurial Development	PF1733	<input checked="" type="checkbox"/>	Assignment on entrepreneurship	<input checked="" type="checkbox"/>	Model making on Women Entrepreneur	Sales through home made food items	To enhance the knowledge of Entrepreneurs
206	Elective III: a) Computer Applications in Economics	PF1734	<input checked="" type="checkbox"/>	Practical on computer excel	<input checked="" type="checkbox"/>	Group discussion on operating system	Group discussion on Booting process	To instill the practical knowledge of computer application in Economics
207	Elective III: b) Financial Economics	PF1735	<input checked="" type="checkbox"/>	Assignment on finance	<input checked="" type="checkbox"/>	Album making on money market	Role play on money market condition	To understand the applications of financial policies
208	Core XII: Monetary Theory and Policy	PF1741	<input checked="" type="checkbox"/>	Model making on banking			Group discussion on role of money	To understand the role of money monetary standards and monetary policy
209	Core XIII: Environmental Economics	PF1742	<input checked="" type="checkbox"/>	Assignment on economic growth	<input checked="" type="checkbox"/>	Group discussion on cost benefit analysis	Group discussion on cost benefit analysis	To instill awareness of environmental issues
210	Core XIV: Industrial Economics	PF1743	<input checked="" type="checkbox"/>	Assignment on firm	<input checked="" type="checkbox"/>	Group discussion on FEMA	Album making on economic growth	To gain the knowledge of various industries and industrial policy
211	Core XV: Public Economics	PF1744	<input checked="" type="checkbox"/>	Seminar on nature on public finance			Assignment on FEMA Act	To acquire the various financial status
212	Elective IV: a) Demography	PF1745	<input checked="" type="checkbox"/>	Assignment on mortality measures			Group discussion on mortality	To apply the theoretical knowledge on population studies

213	Elective IV: b) Rural Development	PF1746	<input checked="" type="checkbox"/>	Seminar on rural economy	<input checked="" type="checkbox"/>	Assignment on Fram economy	<input checked="" type="checkbox"/>	Poster presentation on farm economy	To develop the knowledge of rural development
214	SLC: Demography	PF17S1	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To educate the knowledge on benefits on small families
215	SLC: Economics of Tourism and Management	PF17S2	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To identify the various tourist places and the impact of tourism
<b>2019-2020</b>									
216	Major Core I: Micro Economics I	FC1711	<input checked="" type="checkbox"/>	Assignment on divisions	<input checked="" type="checkbox"/>	Group discussion on factors of production	<input checked="" type="checkbox"/>	Group discussion on Measurement of elasticity of demand	To educate the different market conditions
217	Allied I: Economic Statistics I	FA1711	<input checked="" type="checkbox"/>	Seminar on horace	<input checked="" type="checkbox"/>	Peer teaching on Methods of collecting primary data	<input checked="" type="checkbox"/>	Group discussion on survey	To develop the problem solving skill
218	Non Major Elective Course (NMEC): Marketing	FNM171	<input checked="" type="checkbox"/>	Sales	<input checked="" type="checkbox"/>	Advertisment creation on marketing	<input checked="" type="checkbox"/>	Group discussion on Reasons for Branding	To instill the marketing skills
219	Major Core II: Micro Economics II	FC1721	<input checked="" type="checkbox"/>	Assignment on cost			<input checked="" type="checkbox"/>	Group discussion on total cost	To educate the different market conditions
220	Allied II: Economic Statistics II	FA1721	<input checked="" type="checkbox"/>	Group Teaching on price variations	<input checked="" type="checkbox"/>	Group discussion on significance of pricing	<input checked="" type="checkbox"/>	Discussion on Components of Time series	To develop the problem solving skill
221	Non Major Elective Course (NMEC): Salesmanship	FNM172	<input checked="" type="checkbox"/>	Discussion on kinds of recuirement	<input checked="" type="checkbox"/>	Group teeching on recruitment	<input checked="" type="checkbox"/>	Debate on interview method	To instill the marketing skills
222	Major Core III: Mathematical Methods I	FC1731	<input checked="" type="checkbox"/>	Assignment on simple fractions			<input checked="" type="checkbox"/>	Discussion on simple fraction	To develop the problem solving skill
223	Major Core IV: Monetary Economics	FC1732	<input checked="" type="checkbox"/>	Seminar on evalution of money	<input checked="" type="checkbox"/>	Chart presentation on value of money	<input checked="" type="checkbox"/>	Discussion on theories of trade cycle. Hayek's investment theory	To identify the functions of banks
224	Allied III: Entrepreneurial Development	FA1731	<input checked="" type="checkbox"/>	Group Teaching on small sacle industry	<input checked="" type="checkbox"/>	Peer teaching on industry	<input checked="" type="checkbox"/>	Group discussion on small scale industry	To educate the different business management
225	Major Core V: Mathematical Methods II	FC1741	<input checked="" type="checkbox"/>	Lecture on forms	<input checked="" type="checkbox"/>	Group Discussion on intergration	<input checked="" type="checkbox"/>	Group discussion on Higher order partial derivatives	To develop the problem solving skill
226	Major Core VI: Economics of Banking	FC1742	<input checked="" type="checkbox"/>	Assignment on commercial bank	<input checked="" type="checkbox"/>	Group discussion on opening bank account	<input checked="" type="checkbox"/>	Debate on advantages and disadvantages of banking	To identify the functions of banks
227	Allied IV: Introduction to Accounting with Tally	FA1741	<input checked="" type="checkbox"/>	Seminar double entry system	<input checked="" type="checkbox"/>	Practical session on tally	<input checked="" type="checkbox"/>	Practical session on tally	To develop the skill
228	Major Core VII: Macro Economics I	FC1751	<input checked="" type="checkbox"/>	Group Teaching on macro economics	<input checked="" type="checkbox"/>	Problem solving on multiplier	<input checked="" type="checkbox"/>	Group discussion on multiplier	To identify the problems in the economy
229	Major Core VIII: Indian Economy I	FC1752	<input checked="" type="checkbox"/>	Practical on indian economy system	<input checked="" type="checkbox"/>	Group discussion on agricultural marketing	<input checked="" type="checkbox"/>	Discussion on agricultural marketing	To evaluate the economical problems in India
230	Major Core IX: International Economics I	FC1753	<input checked="" type="checkbox"/>	Peer teaching on international trade	<input checked="" type="checkbox"/>	Assignment on types of foreign trade	<input checked="" type="checkbox"/>	Group discussion on foreign capital investment	To educate the barriers in the International trade
231	Elective I: a) Research Methodology	FC1754	<input checked="" type="checkbox"/>	Model making on research process	<input checked="" type="checkbox"/>	Group discussion on secondary data	<input checked="" type="checkbox"/>	Collect primary and secondary data	To improve the analytical skills
232	Elective I: b) Economics of Social Issues	FC1755	<input checked="" type="checkbox"/>	Role play on social economy condition	<input checked="" type="checkbox"/>	Group discussion on kinds and cost	<input checked="" type="checkbox"/>	Poster presentation on social economic conditions	To improve the problem solving skills on social issues
233	Elective I: c) Labour Economics	FC1756	<input checked="" type="checkbox"/>	Group discussion on indian labour market	<input checked="" type="checkbox"/>	Peer teaching on structure of trade	<input checked="" type="checkbox"/>	Group discussion on migratory workers	To know the various policies of labour Economics

234	Skill Based Course (*SBC): Verbal and Nonverbal Reasoning	FCSK51	<input checked="" type="checkbox"/>	Assignment on analogy			<input checked="" type="checkbox"/>	Problem solving on analogy	To face the group exams
235	Major Core X: Macro Economics II	FC1761	<input checked="" type="checkbox"/>	Seminar on capital			<input checked="" type="checkbox"/>	Group work on capital saving	To identify the national problems
236	Major Core XI: Indian Economy II	FC1762	<input checked="" type="checkbox"/>	Group Discussion on Human Resource Planning	<input checked="" type="checkbox"/>	Group discussion on industrial finance	<input checked="" type="checkbox"/>	Group discussion on industrial finance	To educate the importance of Indian Economy
237	Major Core XII: International Economics II	FC1763	<input checked="" type="checkbox"/>	Peer teaching on balance of trade	<input checked="" type="checkbox"/>	Differentiate between IMF and IBRD	<input checked="" type="checkbox"/>	Model making on machinery	To face the challenges in the trade
238	Major Core XIII: Economics of Development and planning	FC1764	<input checked="" type="checkbox"/>	Group Teaching on economic growth	<input checked="" type="checkbox"/>	Model making on machinery	<input checked="" type="checkbox"/>	Group discussion on current budget	To instill the knowledge of Development and growth
239	Elective II: a) Public Finance	FC1765	<input checked="" type="checkbox"/>	Preparing budget	<input checked="" type="checkbox"/>	Peer teaching on public debt	<input checked="" type="checkbox"/>	Group discussion on public debt	To understand the Impact of government policies and the society of economy
240	Elective II: b) Ecology and Economic Development	FC1766	<input checked="" type="checkbox"/>	Assignment on eco system	<input checked="" type="checkbox"/>	Model making on pollution control measures	<input checked="" type="checkbox"/>	Model making on pollution model	To educate solve the environmental problem
241	Elective II: c) Computer Applications in Economics	FC1767	<input checked="" type="checkbox"/>	seminar on CPU			<input checked="" type="checkbox"/>	Practical	To gain practical knowledge of computer application in Economics
242	Skill Based Course (*SBC): Home Management	FCSK61	<input checked="" type="checkbox"/>	Practical	<input checked="" type="checkbox"/>	Model making on toy making	<input checked="" type="checkbox"/>	Model making	To create a happy and supportive home environment
243	Economics for Competitive Examinations I	FC17S1	<input checked="" type="checkbox"/>				<input checked="" type="checkbox"/>	Poster presentation on toy making	To educate the students to face the competitive examination
244	Economics for Competitive Examinations I	FC17S2	<input checked="" type="checkbox"/>				<input checked="" type="checkbox"/>	Identify the major crops	To educate the students to face the competitive examination
245	Core I: Advanced Micro Economics I	PF1711	<input checked="" type="checkbox"/>	Assignment on basic economy problem	<input checked="" type="checkbox"/>	Group discussion on cournut model	<input checked="" type="checkbox"/>	Discussion on edgeworth model	To educate how prices are determined in the market economy
246	Core II: Recent Issues in Indian Economy	PF1712	<input checked="" type="checkbox"/>	Group Teaching on economic policy	<input checked="" type="checkbox"/>	Group discussion on economic reforms	<input checked="" type="checkbox"/>	Group discussion on economic reforms	To improve the knowledge of recent issues in Indian Economy
247	Core III: Statistical Methods	PF1713	<input checked="" type="checkbox"/>	Problem Solving on correlation			<input checked="" type="checkbox"/>	Problem solving on regression	To instill the applications of statistical methods
248	Core IV: Development Economics I	PF1714	<input checked="" type="checkbox"/>	Problem Solving on factors of economic growth			<input checked="" type="checkbox"/>	Group discussion about economic growth	To evaluate the various theories on development and growth
249	Elective I: a) Marketing Management	PF1715	<input checked="" type="checkbox"/>	Seminar	<input checked="" type="checkbox"/>	Market segmentation	<input checked="" type="checkbox"/>	Model making on environment	To enhance the skills of marketing
250	Elective I: b) Economics of Social Sector	PF1716	<input checked="" type="checkbox"/>	Peer teaching on Research and Scientific Method			<input checked="" type="checkbox"/>	Peer teaching on pareto optimal theory	To evaluate the various social sector in the Economy
251	Core V: Advanced Micro Economics II	PF1721	<input checked="" type="checkbox"/>	Group teaching on Role of organizations in changing technologies			<input checked="" type="checkbox"/>	Group discussion on classical thoery	To familiarise the techniques of micro economic variable
252	Core VI: Mathematical Methods	PF1722	<input checked="" type="checkbox"/>	Group teaching on Circular flow of Income and expenditure			<input checked="" type="checkbox"/>	Problems solving on simple correlation	To obtain the methods and formula for calculating complicated problems.
253	Core VII: Development Economics II	PF1723	<input checked="" type="checkbox"/>	Seminar on economic growth	<input checked="" type="checkbox"/>	Group discussion on planning formulation	<input checked="" type="checkbox"/>	Short video on recent issues in growth	To obtain the knowledge of development theories and methods.
254	Core VIII: Research Methodology	PF1724	<input checked="" type="checkbox"/>	Peer teaching on Research and Scientific Method			<input checked="" type="checkbox"/>	Conduct survey	To apply the tools in the projects

255	Elective II: a) Human Resource Management	PF1725	<input checked="" type="checkbox"/>	Group teaching on Role of organizations in changing technologies			<input checked="" type="checkbox"/>	Peer teaching on micro macro concepts	To develop the skills of human resource management
256	Core IX: Macro Economics	PF1731	<input checked="" type="checkbox"/>	Circular flow of Income and expenditure Group teaching	<input checked="" type="checkbox"/>	Theory of Innovations Discussion	<input checked="" type="checkbox"/>	Short video on trade cycles	To instill the theories of savings and investment
257	Core X: International Economics	PF1732	<input checked="" type="checkbox"/>	Snap test on Samuelson theorem	<input checked="" type="checkbox"/>	Structure of Balance of Payment Group Discussion	<input checked="" type="checkbox"/>	Role play on Factors determining the gains from trade	To understand the concept and theories of International Economics
258	Core XI: Entrepreneurial Development	PF1733	<input checked="" type="checkbox"/>	Roleplay on Rural Entrepreneurship	<input checked="" type="checkbox"/>	Entrepreneurship Model making	<input checked="" type="checkbox"/>	Sales through home made food items	To enhance the knowledge of Entrepreneurs
259	Elective III: a) Computer Applications in Economics	PF1734	<input checked="" type="checkbox"/>	practical	<input checked="" type="checkbox"/>	Group discussion on UNIX	<input checked="" type="checkbox"/>	Group discussion on Role of a system software	To instill the practical knowledge of computer application in Economics
260	Elective III: b) Financial Economics	PF1735	<input checked="" type="checkbox"/>	Lecture method on Functions of the financial sector	<input checked="" type="checkbox"/>	Group discussion on money market	<input checked="" type="checkbox"/>	Group discussion on money market	To understand the applications of financial policies
261	Core XII: Monetary Theory and Policy	PF1741	<input checked="" type="checkbox"/>	PPT on Cash Balance Approach			<input checked="" type="checkbox"/>	Power point presentation on role of money	To understand the role of money monetary standards and monetary policy
262	Core XIII: Environmental Economics	PF1742	<input checked="" type="checkbox"/>	Peer teaching on basic theory of Environmental Economics	<input checked="" type="checkbox"/>	Peer teaching on nature and benefits of cost	<input checked="" type="checkbox"/>	Group discussion on benefit analysis	To instill awareness of environmental issues
263	Core XIV: Industrial Economics	PF1743	<input checked="" type="checkbox"/>	Snap test on Theories Optimum firm	<input checked="" type="checkbox"/>	Small Scale Sector PolicyPeer teaching	<input checked="" type="checkbox"/>	Group discussion on Indian Companies Act 1956 and other amendments there under	To gain the knowledge of various industries and industrial policy
264	Core XV: Public Economics	PF1744	<input checked="" type="checkbox"/>	Slip test on scope and subject matter of Public Finance			<input checked="" type="checkbox"/>	Discussion on Scope and subject matter of Public Finance	To acquire the various financial status
265	Elective IV: a) Demography	PF1745	<input checked="" type="checkbox"/>	Snap test on Life tables			<input checked="" type="checkbox"/>	Discussion on Basic principles of measurement of population growth	To apply the theoretical knowledge on population studies
266	Elective IV: b) Rural Development	PF1746	<input checked="" type="checkbox"/>	Snap test on Factors effecting morality	<input checked="" type="checkbox"/>	Group discussion on rural economy	<input checked="" type="checkbox"/>	Group discussion on Rural Non , Farm Economy	To develop the knowledge of rural development
267	Elective IV: Demography	PF17S1	<input checked="" type="checkbox"/>	Group discussion on fertiltiy measures			<input checked="" type="checkbox"/>	Poster presentation on mortality measures	To create an employment opportunity among the students
268	SLC:Economics of Tourism and Management	PF17S2	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		To identify the various tourist places and the impact of tourism
