1)	July 1 st week	Select the Area of Interest	Aksha C.	Area of Interest was finalized	
2)	July 2 nd week	Literature Review	Aksha C.	Studied research papers on area of interest - Energy	
3)	July 3 rd week	Framing objectives/hypothesis	Aksha C.	Researched on Randic energy of some graphs	
4)	July 4 th week	Finalizing topic, chapter division	Aksha C.	Finalized on topic - Randic Energy of a graph	
5)	August 1 st week	Introduction	Aksha C.	Searched about Randic Energy and its first introducer	
6)	August 2 nd week	chapter-1 : Definition	Aksha C.	Learned basic definitions and definition of Randic Energy	

7)	August 3 rd week	Selecting the research article relevant to the topic.	Aksha C.	Selected the research article for the chosen topic.	
8)	August 4 th week	Chapter 2 - Energy of a graph	Aksha C.	Studied the research article.	
9)	September 1 st week	Selecting the research article relevant to the topic.	Aksha C.	Selected the research article for the chosen topic and introduction given by research guide.	
10)	September 2 nd week	Finalized chapter 3 hypo and hyperenergetic graphs	Aksha C.	Selected results for the topic hypo and hyper energetic graphs.	
11)	September 3 rd week	Studying research article related to chapter 3	Aksha C.	Studied research article related to chapter 3.
