

Report of the Feedback Received and Action Taken on Curricular Aspects 2020-2021

Department of Mathematics

Department	Stake holders	Feedback received	Action Taken
B.Sc. Mathematics	Students	Students wanted to improve aptitude test skills so that they can easily get through competitive examinations	Value Added Courses, Quick Arithmetic for Competitive Examination and Training for TNPSC Group Exams are based on competitive examinations.
	Parents	Offline classes are preferable.	Covid situation and our inability to take offline classes were explained to the parents over the phone. Offline classes were resumed September onwards.
	Teachers	The syllabi of the entire programme can be modified a little in accordance with the University syllabus.	Syllabi has been modified according to TANSCHÉ upto Semester IV and one new paper namely: Real Analysis I has been introduced in Semester III. The Syllabi for Semesters V and VI have been modified to be submitted in the coming BoS.
	Alumni	Few alumnae wanted University syllabus. They are very satisfied with the Department activities and teaching.	Syllabi has been modified according to TANSCHÉ. Professional English for Physical Sciences is introduced for Semesters I – IV to enhance English knowledge of the students .

	Employers	The Employers have given positive feedback for all the queries	We will become more organized and improve our skills further for the sake of our students and also for ourselves ,though we have got positive feedback,
M.Sc. Mathematics	Students	Enhancement of Communication skill has to be provided for students.  Students wanted to improve aptitude test skills so that they can easily get through competitive examinations.	Faculty have been advised to converse only in English and coach the students to communicate effectively Summer training programme is focusing on competitive examinations.
	Parents	All are satisfied with the teaching and the discipline prevailing in the department.	Though we have positive feedback, the faculty will improve their skills still further.
	Teachers	The syllabi of the entire programme can be modified a little in accordance with the University syllabus.	Syllabi has been modified according to TANSICHE and one new paper namely Field Theory and Lattices has been introduced in III semester
	Alumni	All have given positive feedback.	We are constantly contacting the alumnae using whatsapp groups and mobiles and guiding them to enter into government jobs.
	Employers	The Employers have given positive feedback for all the queries.	Though we have positive feedback, more efforts is taken to improve Research. More faculty have applied for research guideship.

### Department of Physics

Department	Stake holders	Feedback received	Action Taken
B.Sc. Physics	Students	Modify the syllabus in thermal physics and provide thermodynamic laws.	Syllabus was revised.
	Parents	Skill oriented courses can include.	Skill related value added courses were offered.
	Teachers	Include optics related practical's in Physics Lab-II.	The Changes were executed.
	Alumni	Add spectrometer prism and grating experiments in Physics Lab-II.	Two practical's were added.
	Employers	Suggestions or negative feedback not received	Not applicable
M.Sc. Physics	Students	Quantum mechanics course can be split into two separate courses.	Split into two courses namely Quantum mechanics I and Quantum mechanics II.
	Parents	Skill oriented courses related to computer can include.	Skill related summer internship courses were offered.
	Teachers	Modify Laser experiments in Advanced Physics Lab I.	The same was modified.
	Alumni	Include two more experiments related to laser.	Included in the syllabus
	Employers	Suggestions or negative feedback not received	Not applicable

**Department of Chemistry**

Department	Stakeholders	Feedback received	Action taken
B.Sc. Chemistry	Students	i. Need more practical classes.  ii. New elective courses may be offered  iii. Clinical chemistry may be extended to all the departments as value added course	Since it was pandemic period, we could not conduct practical classes as usual. Once regular classes start (offline) sufficient practical classes will be conducted.  New elective courses - Pharmaceutical and Biochemistry are offered during 2020 - 2023.  Clinical chemistry is offered as value added course from 2021 - 2022
	Parents	Curriculum is good	Not applicable
	Teachers	Suggestions or negative feedback not received	Not applicable
	Alumni	Separate syllabus for Allied Chemistry for physics and Life sciences may be framed	Separate syllabus for Allied Chemistry for physics and Life sciences are framed
	Employers	Suggestions or negative feedback not received	Not applicable
M.Sc. Chemistry	Students	i. Curriculum is good.  ii. Coaching for competitive examination is needed	"Chemistry for Lectureship" is being offered
	Parents	Career oriented courses may be offered	Courses like Polymer Chemistry and Analytical Chemistry are offered
	Teachers	More reference books are needed	More reference books are requested
	Alumni	Research oriented learning can be offered	Research oriented learning is given in projects and practicals
	Employers	Suggestions or negative feedback not received	Not applicable

### Department of Botany

Department	Stake holders	Feedback received	Action Taken
B.Sc. Botany	Students	1.Prefer to have offline class 2. Need study material as books	1.Offline mode of teaching is now in practice 2.Implemented - providing study material as books
	Parents	Introduce type writing for certificate course	Changes will be made in the next Board of Studies
	Teachers	1. Remove the unitized sub-titles given in few courses 2. Introduce new value added courses	1.Changes had been carried out with the approval of Board members 2. Implemented Food Preservation Technology course
	Alumni	Reduce the weightage of Part IV in the curriculum	Will be recommended in the next Board of Studies
	Employers	Introduce more job oriented courses	Implemented courses like Marine Botany and Gardening and Floriculture
M.Sc. Botany	Students	Update the syllabus for Developmental Biology, Environmental Biology and Plant Physiology	Updation had been carried out with the approval of Board members
	Parents	1.Motivate their wards to appear for competitive examinations 2.Conduct more Job Expo programmes	Competitive books were taken from the library and doubts were clarified.
	Teachers	Update the Practical syllabus for Anatomy and Wood Technology Course	Updation had been carried out with the approval of Board members
	Alumni	Need more field work program to be included in the courses	In all the relevant courses, field program have been implemented
	Employers	Collaborative project work with other reputed institutions can be strengthened	Will be recommended in the next Board of Studies

### Department of Zoology

Department	Stake holders	Feedback received	Action Taken
B.Sc. Zoology	Students	Hard to maintain attention during online classes Conduct more On-line quiz and games. Learning through on line classes is very difficult. Organising seminar or webinar related to subjects and carrier is a preferable one. Make the students to take online classes is.	Methods of teaching like blended learning and flipped learning has been implemented. More online classes webinar arranged. Offline classes have resumed.  Seminars have been organised. Students are given opportunities to take classes in the form of seminars
