NAACV Cycle Self Study Report (SSR)

The screenshot shows a Google Meet interface with a presentation slide. The slide title is "Plant sources and synthetic process of MNPs by extracts from different plant parts". It features a grid of 15 images of various plants and their parts. Below the grid is a diagram showing the process: a plant extract is added to a flask, then mixed, then placed on a scale, and finally resulting in nanoparticles. The citation is "M. Nasrollahzadeh et al. / Advances in Colloid and Interface Science 276 (2020) 102103". The meeting details panel on the right shows 35 participants, including Mary Mettilda Bai (You), Angel Jebitha, Antilda Xavier, Arokya Glory P. T., bhuvana vijji, BLESSY R, Brisca Renuga, Caroline Hema, CATHERINESHEEJA V, and delma barnabas.

The screenshot shows a mobile application interface with a presentation slide. The slide title is "Nanotechnology". The text on the slide is:
•Nanotechnology is an emerging scientific field considered to have potential to generate new and innovative materials.
•Nanotechnology provides the ability to open new avenues to prevent and treat diseases by tailoring materials on an atomic scale
•Nanomaterials provide solutions to technological and environmental challenges in the areas of solar energy conversion, catalysis, medicine, and water treatment
•Due to their unique properties, nanoparticles are receiving increasing attention in biomedical applications such as biological sensing, antimicrobial ointments, medical diagnostics, cancer therapy, drug delivery, and artificial implants
The interface also shows a video call with participants M.Karth..., You, Dr. Jeni, and Jos + 12 others. The bottom navigation bar includes icons for call, mute, and other functions.

The screenshot shows a Google Meet window with a presentation slide. The slide title is "How to do Research". The content includes three bullet points: "Research is all about addressing an issue or asking and answering a question or solving a problem, so...", "Identify an issue, question, or problem. Talk with people who want or need your study.", and "Find out what's already known about it. Talk with experts and/or read their reviews and the original research on the topic." The slide also features a small image of a document with the word "research" circled. The meeting interface shows a "REC" button, the presenter's name "suresh chem", and a grid of participant avatars including Benitin shalom S C, Jincy. T, Media Center, Jaya Sheeba, Jovila J, 14 others, and You. The system tray at the bottom shows the time as 11:24 AM and the date as 05-05-2022.

The screenshot shows a Google Meet window with a video call in progress. The participant is identified as "Jone Magadalin". The meeting interface includes a "REC" button, a grid of participant avatars (Dennyson Sav..., Media Center, vishaka E J, Jincy. T, Ahalya R, Archana mahe..., ROSARIO FLO..., 15 others, and You), and a system tray showing the time as 10:09 AM and the date as 30-08-2022. The background of the video call shows a person in a green patterned shirt in a well-lit room.

The screenshot shows a Google Meet interface with a presentation slide. The slide title is "Research and Publication Ethics". It features a central diagram with "Ethics" in a pink circle, surrounded by "Values", "Rules and Regulations", "Moral Principles", "Rules of Conduct", and "Ethical Practices". To the right is a scale of justice with "Right" on the left pan and "Wrong" on the right pan, both labeled "Ethics". Below the diagram, the presenter's name "A. Dennyson Savariraj" is listed, along with his affiliation: "Department of Advanced Components and Materials Engineering, Suncheon National University, Republic of Korea". His email is "dennysons@gmail.com" and the date is "30.08.2022". The Suncheon National University logo and name in Korean are also present. The Meet interface shows a "REC" button, the presenter's name "Dennyson Savariraj", and a grid of participants including Jone Magadalin, RASEENA ASNA, Jincy. T, Ahalya R, Archana mahe..., and 22 others. The bottom of the screen shows the system tray with the time "10:13 AM", weather "30°C Partly sunny", and system icons.
