HAC/22 /12 Item No: 3 Results

The CoE presented the pass percentage of UG, PG, M.Phil. and private candidates.

Number of full passes

I UG - 390/479 = 81.42 %   (Absent – 3)

II UG - 477/560 = 85.18 %   (Absent – 1)

III UG- 605/648 = 93.36%

I PG - 232 /247 = 93.93%   (Absent – 1)

II PG - 241/253 = 95.26%

Private   - 6/11   = 54.55%

Total   - 1959 /2201 = 89.0%

Result analysis:

The Controller of Examinations presented the reasons for the failure of students in few degree programs:

- The performance of I and II UG students is comparatively poor in the part II English, Major and Allied in few departments. The students failed to attempt all the questions and the answers written are also not appropriate.

Moderation

The Controller of examinations presented the moderation list and said that to maintain a minimum pass percentage of 70% a moderation of up to 10 marks was granted in few courses to 156 students who have failed in one course.

Discussion and Suggestions:

1. **Moderation: The University nominees felt that the moderation can be reduced gradually and if required it can be awarded in the even semester especially for the outgoing students.**

   The Board decided to consider the moderation and award 5 to 10 marks in the even semester for the outgoing students, for others it would be gradually reduced and necessary remedial measures would be taken.

2. **Remedial measures: The University nominee Dr. Gnana D. Hans suggested to give more importance for the writing skill and Assignments can be checked for plagiarism.**
   The Board accepted the suggestion and it was decided to take necessary measures to develop the writing skill of students.

3. **Project: The University nominee Dr. M. Michael Babu enquired about the PG project whether it is individual or in groups. Since a group of two students jointly do the project, he suggested that PG project can be individual.**
   The Board decided to consider the individual PG project and this would be presented in the Academic council for the forth coming Academic year.

4. **OBE attainment: The University nominees asked about OBE and the course outcome attainment.**
   The CoE informed that OBE is followed right from syllabus up to question paper setting following Bloom's taxonomy and Learning outcome and attainment will be carried out for the current first years.

5. **Other suggestions:**
   - **Skill based course that is currently in the job market can be introduced in the curriculum and outdated courses can be removed.**
   - **More importance can be given to Practical's at the PG level.**
   - **Internship in reputed institutions under the guidance of the faculty.**

The meeting concluded with the vote of thanks by the Controller of Examinations.
