HAC/23 /12 Item No: 4 Result analysis:

The Controller of Examinations presented the reasons for the failure of students in few degree programs:

- The performance of II BA English students in the Allied paper is not satisfactory. The reason for failure was analyzed and it was noted that the students found it very difficult to remember the works of all authors and to comprehend the questions and give the right answers. In the case of First year's late admission of students and adoption of TANSCHÉ syllabus was a challenge for the teachers to train the students. The results of III UG and PG were satisfactory.

HAC/23 /12 Item No: 5 Moderation

The Controller of examinations presented the moderation list of UG and PG students for approval and the board approved the moderated results.

Suggestions:

The University Nominees Dr. M. Michael Babu and Dr. Gnana D Hans and the board members gave the following suggestions:

1. Since History of English literature is tough, special invited lectures can be organized for the Allied papers.
2. The modules can be split into small portions and revision can be given.
3. The evaluators can be asked to follow the rubrics in valuation

The meeting concluded with the vote of thanks by the Controller of Examinations.
