Holy Cross College (Autonomous)

Holy Cross College (Autonomous), is the first women's college in Kanyakumari District, established on 2nd August 1965. The College is administered by the congregation of the Sisters of the Cross of Chavonod, France. It is a prestigious center with a strong determination to empower women personally and professionally. It strives for academic excellence and has been rated to an autonomous status in 2007-2008. With continuous transformation and innovation, Holy Cross College has become a trusted and an influential educational institution that supports the professional and educational competencies. The college is a home to nine research centers and is widely acclaimed for its unique discipline and stimulating academic and research performance.

Sree Ayyappa College

Sree Ayyappa College for Women came into existence in the year 1970. The institution established with the motto, 'Silaha Dhanamsha Shobharo' (Education Sparkles through Mind Excellence) is run by Sree Ayyappa Educational Society. The college is situated at the foot of Vaidandis, the hot and Western Ghats. The tranquility and serenity of the idyllic surroundings provides congenial atmosphere for academic pursuits. Located close to the National Highway at a distance of 7 Kilometers from Nagercoil, students gain easy access to transport facilities. Re-accredited by NAAC with B Grade (3rd cycle), the college offers Graduate courses in Arts and Science subjects and Commerce. Post-graduate courses in English, Mathematics, Commerce, Department of English and Department of Mathematics got upgraded to Research Centres in 2012 and 2018 respectively.

Crossian Research Forum (CRF)

The Crossian Research Forum launched in 2008 to promote multi-disciplinary research among the faculty, scholars and students in the executive body of the Crossian Centre for Research and Development which is an integral part of Holy Cross College and provides a major interface with the wider research world. It provides a platform to articulate the research ideas and present the findings to the academia. CRF releases the multidisciplinary bi-annual peer-reviewed National journal "Crossian Researcher" and also organizes conferences/workshops every year with relevance to the current trends in research.

Research and Development Cell of Sree Ayyappa College

Ayyappa Research Forum and Research and Development Cell were established in 2022 and 2023 respectively to promote research activities. Ayyappa Research Forum and Research and Development Cell has conducted various seminars and webinars on the topics: Components of Research Proposals in Humanities and Academic English, Research in English - Multiple Perspectives, Quick Analytics for Competitive Exams, Research Ethics, Significance of PR in Research, The Path of Successful Research, Strategies for Successful Research in Higher Education Institutions, UGC Expectations and Best Practices and Research Oriented Workshops to promote better research practices among students.

About the Conference

The International Conference on "Innovative Trends in Multidisciplinary Research" aims to explore the nuances of recent research strategies and to equip researchers with modern techniques and methodologies used in research. Moreover, the conference focuses on developing an understanding of various research types, objectives, processes, design strategies, and multidisciplinary approaches. It offers a comprehensive platform for participants to gain insights into the intricacies of qualitative research methods and stay updated with innovative research concepts, challenges, and opportunities. The conference emphasizes the value of integrity and timeliness in achieving high-quality publications for significant academic advancement. It is an attempt to develop skills in qualitative and quantitative data analysis and presentation, and enhance the theoretical knowledge in framing multidisciplinary research designs and policy implications. In addition, the conference will feature paper reading, presentation sessions that provide a platform for collaborations, research inclusion, and faculty members to exchange views, ideas, and experiences. This is a great source of knowledge and innovation, to break new ground in multidisciplinary research.
