PURPOSE

Whereas

- a) Holy Cross College (Autonomous), Nagercoil is a Catholic educational institution, established and administered by the Sisters of the Cross of Chavanod, France founded by Mother Claudine Echernier. It is the first women's college in Kanyakumari District. The college is under the religious jurisdiction of the Catholic Bishop of Kottar. The institution was inaugurated on 2nd August 1965. This temple of learning, at the southernmost tip of the country, against the Sylvan background with beautiful buildings, was wrought with the magic touch, an amazing alchemy by which a wilderness was transformed into a pasture, a barren land into a rich field with manifold yield.

Most Rev. Dr. Roch Agniswamy, the then Bishop of Kottar, identified the urgent need to have an exclusive women's college in Kanyakumari District and in response to the proposal the then Superior General Rev. Mother Yvonne Lavorel (France) responded positively and Rev. Mother Marie Cecile Vionnet, the then Provincial of Trichy along with her dedicated band of sisters, established this great institution despite severe financial constraints and other heavy odds.

Numerous were the obstacles, but nothing was a hindrance in front of their committed, persevering and dedicated toil, the fruits of which we enjoy today. The college started functioning in the year 1965 with 327 students. The College was first affiliated to Madras University and it started with the Pre University Course (PUC) offering subjects like Part I - English, Part II - Tamil, Malayalam and French, Part III - Mathematics, Physics, Chemistry, Physics, Chemistry, Biology, History, Economics and Advanced Languages.

The College was raised to a first grade college in 1966 and was affiliated to the Madurai Kamaraj University, offering undergraduate courses in Mathematics, Physics, Chemistry, Botany, Zoology, History, Economics, Commerce and English and Post graduate (PG) courses in Mathematics, Physics, Zoology and English. Since 1990, the college is affiliated to Manonmaniam Sundaranar University, Tirunelveli. The College was conferred Autonomous status in 2007 and Extension of Autonomy was granted in November 2016. The college has undergone four cycles of accreditation by National Assessment and Accreditation Council. In 1999, the college was accredited at the 4 Star level and re-accredited at the 'B++' level in the year 2005. In the III Cycle of Accreditation in the year 2013, our college was re-accredited

c) **St. Ann's College** for Women (Degree) is Christian minority institution established in the year 1991 under the management of St. Ann's charitable society with a vision of empowering girls and women coming from rural and industrial area through education.

The Institution aims not only to impart academic education but also to give holistic education and thus to bring out disciplined young women of sound moral character who will be an asset and credit to their family and to the country. It intends to foster an atmosphere of intellectual pursuit in which young women, irrespective of indifferences to work and mix together and attain excellence in their chosen field of study and in moral integrity. It aims to equip the students with new knowledge, new skills, new understanding and new learning habits with positive attitude. Our main thrust is to provide holistic education to empower the young girls to be the role models in the present world.

With phenomenal expansion of Visakhapatnam city, the population is growing at very high rate and the existing colleges are not able to provide facilities to all the students who want to pursue degree courses thus degree block was instituted in the year 1991 with the intention of imparting quality higher education. Initially we started with BSc (Chemistry, Botany, Bio Chemistry), B.Com (General), and B.A (History, Economics, Public Administration). In order to help our degree students to have better job opportunities certificate computer course PGDCA was introduced in the year 1993-94. The first batch of degree students brought laurels to our institution by securing 100 percentage in the public exam. Two of them received Gold Medals for securing highest marks in English & Hindi. Since applied sciences are favored than the conventional subjects in 2000-01 Biotechnology and

Microbiology were added to the existing B.Sc. Course. Later in the year 2011 Bio Chemistry was withdrawn and BSc MPC (Mathematics, Physics, Chemistry), MSCs (Mathematics, Statistics, Computer Science) were introduced. Catering to the options required by the upcoming batches course such as B.Com Computers (2015) and BSc CBZ (Chemistry, Botany, Zoology) (2018) were imparted.

- c) St Aloysius College belongs to a network of educational institutions administered by the members of the Society of Jesus, a religious order which runs schools, colleges and universities in more than 105 countries in the world.

Established in 1880, St Aloysius College prides itself in its history of 140 years. Despite its status as a minority institution, the college has imparted high quality education to all sections of society regardless of caste, color or creed.

The motto of the college, "Lucet et Ardet" which means "shine to enkindle" has inspired countless students to become men and women for and with others and thus bring light and joy into the lives of people. It is for this reason that Jesuit education has become a touchstone for evolving new paradigms in higher education.

In 1880, 9 Jesuits landed in Mangalore at the request made by Mangaloreans to establish an institution of quality higher education. The college celebrated its centenary celebrations in 1980 in a grand manner for which our former President of India, Neelam Sanjeeva Reddy was the chief guest and witness. In the year 2002, the college campus witnessed the arrival of our beloved former President, Dr APJ Abdul Kalam for the inauguration of the Information Technology Block.

As the college felt that it is ready for an assessment by external agencies like the NAAC, it subjected itself to the rigorous exercise of the first cycle of NAAC Accreditation in 2005. The college received a high score of 86.7%. The College has seen tremendous growth after it became autonomous in 2007. The college offers a variety of courses across disciplines both at the undergraduate and postgraduate levels.

c) As early as in the beginning of the 20th century, the Diocese of Quilon established religious and educational institutions not only for Catholics, but all sections of society. But when the new dioceses of Kottar, Trivandrum and Punalur were carved out of the territory of the Diocese of Quilon, many institutions under its jurisdiction were handed over to the newly constituted Dioceses. There were 132 vernacular primary schools under the Quilon Diocese. Most of these were later ceded to the dioceses of Kottar and Trivandrum. Later, High Schools and Primary Schools, in the English and Malayalam media, Higher Secondary Schools in the aided and unaided sectors, Fatima Mata National College, and Karmela Rani Training College were established with the ultimate aim of prioritizing the spread of education as the first step to the social uplift of the backward communities. Fatima Mata National College honours the name of Blessed Virgin Mary seen in apparition at Fatima, Portugal in 1917. The founder, Bishop Jerome Maria Fernandez, an ardent devotee of Our Lady of Fatma, wished and prayed for her maternal protection and care on every member of the college community. His patriotic spirit also envisioned every Fatimite imbued with a pan-Indian spirit and a genuine sense of dedication and service to the motherland.

The Fatima motto, PER MATREM PRO PATRIA, reflects the idea of Marian devotion as a means to foster social responsibility. The pride of India's first Roman Catholic Diocese (Quilon), Fatima College crossed the significant milestone of her diamond jubilee in 2011-12, in service of the nation. This autonomous institution of higher learning is dedicated to the task of equipping young men and women for responsible roles in India's national life.

MEMORANDUM OF UNDERSTANDING (MOU)
MENTORING RELATIONSHIP
BETWEEN
TECHSTARS STARTUPWEEKEND NAGERCOIL
AND
HOLY CROSS INNOVATION AND INCUBATION CENTRE

Parties
This memorandum of understanding (hereafter referred to as "MOU") is made and entered into by and between TECHSTARS STARTUP WEEKEND Nagercoil and HOLY CROSS INNOVATION AND INCUBATION CENTRE

Purpose
The purpose of this MOU is to establish partnership between TECHSTARS STARTUP WEEKEND Nagercoil and Holy Cross Innovation and Incubation Centre for mentoring and supporting startups.

Term of MOU

This MOU is effective upon the day and date last signed and executed by the duly authorized representatives of the parties to this MOU and shall remain in full force and effect for not longer than three (3) years. This MOU may be terminated, without cause, by either party upon two (2) month's written notice, which notice shall be delivered by certified mail to the address listed above.

Guidelines for mentors

Mentoring is a way to contribute back to the society by sharing the wisdom with the budding talents who are determined to make a positive change in the society using their innovations. Mentors themselves benefit by updating their skills when they work with young talents. Following are the guidelines for the mentors,

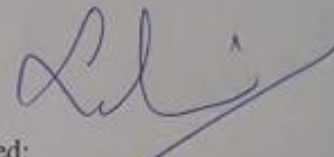

- Mentors should provide no inventive contribution to the mentees without enough legal agreements.
- Mentors will make their best efforts for regular contact with mentees on a mutually agreeable schedule, which is flexible based on mutual agreement.
- The relationship between mentors and mentees should always be professional and always with proper business etiquette.
- Mentors should treat mentees with dignity and respect. Mentors should encourage mentees to be responsible for the mentoring.
- Mentors will maintain confidentiality of any proprietary information of the incubates.
- Conflicts of interests should be avoided when deciding on mentoring relationship. When one or more interests of the mentor (financial or non-financial) conflicts with mentoring relationship and responsibilities, the situation should be promptly disclosed to the mentee and appropriate course of action taken.
- Mentors may transition to a different status such as investor or board member, but again, with explicit communication in advance of the transition to TSW Nagercoil and HCIIC.
- When the incubation of a start-up is being finalized, TECHSTARS STARTUP WEEKEND Nagercoil would recommend a mentor from its list and introduce him/her to the company. The promoters are either free to choose from the said list or are free to have their own mentor albeit with the concurrence of HCIIC. The company and mentors will initially engage with each other to understand the role and contribution that the mentor can make to the company. If the arrangement works out positively for the company, the association needs to be formalized with a suitable consideration model so as to ensure continued involvements of the mentors.

Such a contract should cover aspects such as

- Duration of mentoring relationship.
- Objectives and scope of relationship.
- Confidentiality
- Frequency and mechanism of meetings.
- Tacking and review process.

Holy Cross College (Autonomous), Nagercoil - 629 004

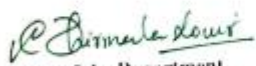

Holy Cross College, the first women's college in kanniyakumari District was established by the Sisters of the Cross of Chavanod in 1965 in response to the invitation of the then Bishop Agniswamy, Bishop of Kottar with the main purpose of providing University education in a Christian atmosphere to the deserving women students irrespective of caste and creed, with the watchword "Excellence" which is an expression of the Divine. The college is indebted to Rev. Dr. Roch Agniswamy, the late Bishop of Kottar, Rev. Dr. Anthony Muthu, the late Bishop of Vellore, the then parish priest of Kurusady, Late Rev. Mother Yvonne Favorel, the then Superior General and Rev. Mother Marie Cecil Vionnet, the then Provincial of the Sisters of the Cross of Chavanod, Province of Tiruchirappalli for assuming responsibility to start this institution. Since our fledgeling start-up, our efforts had not been hassle free, but we walk with intuitive intelligence in the light of the Divine. At present our college has strength of 2500 students in 12 U.G programmes, 10 P.G programmes, 4 M.Phil programmes and 9 Research centres. Further the college offers nearly a dozen certificate courses. The college has a good number of high profile alumnae. The multi-cultural ambience has an incantatory power to dissolve boundaries and create new dreams. The college is re-accredited with 'A' Grade by NAAC with CGPA 3.35 in fourth cycle and Recognized under section 2(f) and 12 (B) Under Act 1956.

Vision

Inspired by God's love manifested in the Cross of Christ, the Crossian family envisions a just and harmonious society by empowering its women to be life sensitive through holistic education.

Mission

The college stands for the total liberation and development of the student's whole person in order to prepare them to take their rightful place and responsibility in the society.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

State Institute of Rural Development & Panchayat Raj - Tamil Nadu, Chennai

And

Holy Cross College (Autonomous), Nagercoil

11th December 2023,

This Memorandum of Understanding (MoU) is made and executed at Place Nagercoil on this date 11th December of the year 2023 between State Institute of Rural Development (here in after called SIRD&PR), a statutory body of Government of Tamil Nadu, having its registered office at Maraimalai Nagar, Chennai (which expression shall, where the context so admits, be deemed to include its executors, administrators and assigns) be the First Party.

And

Holy Cross College (Autonomous), Nagercoil established in the year 1965 (which expression shall, where the context so admits, be deemed to include its executors, administrators and assigns) be the Second Party or the Participating Institution (PI).

Both Parties have reached the following intent to collaborate as per below described articles of this MOU.

PURPOSE of MoU:

The MoU is aimed at collaborating on the Unnat Bharat Abhiyan (UBA) program implemented by the First party. The second party (PI) will work as a partner in this development intervention to achieve the goals of locally achieving the sustainable development (LSDG).

Now therefore the parties here to have agreed to enter into a memorandum of understanding considering the long term benefits of sharing the knowledge and resources of the PIs and establish a collaboration, by undertaking joint responsibilities and activities in their respective field of excellence, resources, knowledge and expertise.

AREAS OF COLLABORATION

The parties hereby agree to work collaboratively on following points for the effective and efficient engagement by fulfilling the purpose of this MoU. The mutually agreed activities by and between the parties are as under:

A. The second party (PI) will mobilise the students as part of its academic social responsibility (ASR) to engage with rural communities and PR institutions for the UBA facilitation. This will be done by creating suitable groups of students from different disciplines of studies to fit into the thematic areas. It will be ideal if students from the same panchayat can be included in the group. These student groups shall be guided by the academic staff to carry out the grass-root level interactions and development interventions. These groups can be also suitably named for identification and visibility of their rural development engagements (For eg. GP Development Corps).

B. The second party (PI) will leverage its internal resources from different departments viz knowledge of sustainable development by establishing a multidisciplinary group (involving different departments and faculties for different action domains) within the institution to engage in the rural development activities by identifying the panchayats and create an enabling eco-system for the last mile delivery of development. This eco-system shall be hybrid in nature that it will enable to create values by leveraging the low/no cost activities among the communities. It is expected that at least 10 no/low cost activities are identified per theme and included in the panchayat plan every year and implement it to establish the momentum of self development.

C. The second party (PI) will mobilise the community in identified panchayats by the help of its team of faculties and students to sensitise the scope and options of sustainable development and capacitate them in achieving the development goals.

D. The second party (PI) will prepare Gram Panchayat Development Plans (GPDP) of the identified village panchayats involving the panchayat administration and the local communities. This will involve the assessment of development potential of the panchayat, actual level of development currently and the gaps to be filled. It further envisages to prepare a detailed document as per the prescribed format covering the chapters in detail and coordinate for its approval from gram sabha and subsequently to handhold in implementing the approved plan.

E. The second party (PI) will associate with the identified panchayats in implementing the GPDP by imparting necessary skills, capacities and establish sustainable linkages in achieving the goals in the 9 themes. The nine intervention

themes for the second party (PI) to work in a systematic and prioritised manner to bring in sustainable development at local level are

1. Poverty free/enhanced livelihood
2. Healthy Village
3. Child friendly village
4. Water sufficient village
5. Clean and Green village
6. Self sufficient infrastructure
7. Socially secured village
8. Village with good governance and
9. Engendered development

F. The second party (PI) will document and show case the development outcomes enabled by their planning and handholding of its implementation in the respective panchayats by using appropriate media and technologies.

G. The first party will pay the second party (PI) an amount of Rs.20,000 (Rupees Twenty Thousand Only) for a year per village panchayat. 50 percent of this amount will be released after the PI identifies the village panchayats to work with and submit a preliminary report of its strength and capacities in carrying out the said functions in the selected locations and getting the concurrence of the village panchayats to collaborate in the program. The second instalment of 50 percent will be released after the plan is prepared by incorporating the priority interventions covering the nine themes in the form of low cost/no cost activities to be carried out and started its implementation after approval by the gram sabha and its uploading in the designated web portal.

H. The list of village panchayats the PI has identified to work with is as follows.

1. Kesavanputhenthurai
2. Pallamthurai

I. The main strategy to achieve the set goals is an inclusive approach - involving all the stakeholders. This could be done by creating specialized new GP development corps involving students. Further the academic institution can aim to involve existing youth clubs, SHGs, local NGOs and other social capitals and CBOs.

Term and Termination:

The term of this MoU shall be for a period of five years from the date of execution, unless terminated earlier by a written notice of thirty (30) days by a Party seeking such termination to the other Party hereto. However, all commitments and obligations till date of termination will be honoured by both the parties.

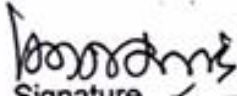

Dispute Resolution:

Any and all disagreements / differences / disputes arising here under shall be resolved amicably by the designated senior executives / officers of the good offices of both Parties. The legal jurisdiction for this MoU will be the Chennai Metropolitan courts only.
