CAREER GUIDANCE FOR MATHEMATICS GRADUATES IN CORPORATE SECTOR

Date : 29-10-2020
Resource Person : Mr. S. Maria Leslien Calistus B.E, MBA, Manager
(Talent Acquisition), Lenovo, Bangalore.
Google Meet Link : <https://meet.google.com/ief-zdww-kob>

On 29th October, 2020, an insightful session on "Career Guidance for Mathematics Graduates in the Corporate Sector" was organized. The event aimed to bridge the gap between academic knowledge in Mathematics and its practical application in the corporate world. The Resource Person, Mr. S. Maria Leslien Calistus, a professional with a background in both engineering and management, shared his expertise in the field of Mathematics.

Mr. Calistus emphasized the growing demand for analytical and problem-solving skills in the corporate sector. He explained various career paths where Mathematics graduates can excel, ranging from data analysis to financial modelling. The presentation included real-world examples from Mr. Calistus's experience at Lenovo, illustrating how Mathematical skills are crucial in decision-making processes. The virtual gathering witnessed active participation, with a commendable turnout of 52 participants.

Outcome

1. Participants gained insights into the diverse range of roles available for Mathematics graduates in the corporate world, beyond traditional academic paths.
2. Students understood the Mathematical concepts in solving real-world business problems, showcasing the practical relevance of the subject.
3. The talk provided a valuable industry perspective, offering a glimpse into the expectations and requirements of corporate employers when hiring Mathematics graduates.

Feedback

1. Many participants appreciated the practical insights shared by Mr. Calistus, finding them applicable to their academic and career pursuits.
2. Mr. Calistus's engaging presentation style and use of real-life examples were highlighted as key factors that kept the audience interested throughout the session.
3. Participants expressed that the information provided would significantly impact their career planning, helping them make more informed decisions about their professional paths.
4. The interactive Q&A session was praised for providing a platform for participants to seek personalized advice and clarification on specific career concerns.

CAREER GUIDANCE FOR MATHEMATICS STUDENTS

Date	: 18-03-2021
Theme	: Career Guidance for Mathematics Students
Organized by	: Department of Mathematics S.F.
Venue	: Cecile Hall
Number of beneficiaries	: 108

The association meeting was conducted on 18-03-2021 in Cecile Hall. The Chief Guest of the meeting was Mrs. N. Krishnammal, Retired Professor of Mathematics, Holy Cross College (Autonomous), Nagercoil. Director of Aditya Maths Academy, Nagercoil. She delivered a talk on the topic “Career for Mathematics Students”. She explained about various competitive examinations and shortcut techniques to solve mathematical problems. She also motivated the students to pursue higher studies. 108 students participated in this program.

The poster is a rectangular graphic with a light green background. At the top, there is a yellow banner containing the college's name and accreditation details. Below this, the text is centered and uses various colors and fonts to highlight key information. The background of the poster features a faint watermark of the Holy Cross College logo and a photograph of the college building.

SR. ROSAMMA'S ENDOWMENT LECTURE ON CAREER IN PHYSICS

The Department of Physics of Holy Cross College (Autonomous), Nagercoil organized the Sr. Rosamma's Endowment Lecture on February 13, 2021, at 11 am. The lecture was conducted through online mode via Google Meet, ensuring accessibility to participants despite physical limitations. Moreover, to broaden its reach, the lecture was also telecasted on YouTube, allowing a wider audience to benefit from the valuable insights shared. Dr. K. Navaneedha Krishnan, Former Head and Coordinator of the School of Physics at Madurai Kamaraj University, served as the esteemed speaker for the event. His expertise and experience in the field provided an invaluable perspective on the various career opportunities available to both undergraduate (UG) and postgraduate (PG) graduates of Physics. The lecture served as a platform for UG and PG students, as well as research scholars, to gain comprehensive knowledge about potential career paths and research opportunities in the field of Physics. With 190 participants, the event facilitated an engaging discussion and exchange of ideas, enriching the understanding of the attendees regarding their future prospects in the domain.

Dr. Navaneedha Krishnan's insights likely covered a wide range of topics, including but not limited to industrial applications of Physics, academia, research positions, and interdisciplinary opportunities. By shedding light on these areas, the lecture aimed to empower students and scholars to make informed decisions regarding their academic and professional endeavours. Overall, the Sr. Rosamma's Endowment Lecture served as a significant educational initiative, providing valuable

guidance and inspiration to the participants as they navigate their academic and professional journeys in the field of Physics. Through the utilization of online platforms, the event successfully transcended geographical barriers, ensuring maximum outreach and impact.
