### TALK ON FUTURE PROSPECTS FOR MATHS GRADUATES

Date	: 23-09-2022
Organized by	: Mathematics Association
Theme/Objective	: To empower mathematics graduates with valuable insights and guidance on potential career paths and higher education options after graduation.
Resource Person	: Mr. Anto Xavier, Director, Turning Point, Nagercoil
Outcome of the Activity	: Students were equipped with valuable insights into various career paths and higher education options, enabling them to make informed decisions about their future.
Number of Beneficiaries	: 180
Venue	: Seminar Hall

The Mathematics Association meeting convened on September 23, 2022, from 10:00 a.m. to 11:00 a.m. in the Seminar Hall, initiated with a prayer song led by the students of II PG Mathematics. The gathering was graciously welcomed by Miss. Jesmin Nija of I M.Sc. Mathematics. This was followed by a comprehensive report reading of the previous Association Meeting by Miss. V. Susan Tharasa, the secretary of the Mathematics Association. A significant highlight of the session was a career guidance talk on "Future Prospects for Maths Graduates" by Mr. Anto Xavier, BBA., M.S.W. The talk was both enlightening and effective, providing valuable insights into potential career paths and higher education options after graduation. Miss. Sharon Adlin of I B.Sc Mathematics proposed a sincere vote of thanks, and the meeting was adeptly hosted by Miss. Mary Ashani of II B.Sc Mathematics, creating an informative and collaborative atmosphere for all participants.

#### Feedback

- ❖ Students expressed high appreciation for the session.
- ❖ The talk was well-received, indicating its relevance and importance.

- ❖ Mr. Anto Xavier provided enlightening insights into potential career paths for Mathematics graduates.
- ❖ Mr. Anto Xavier provided enlightening insights into potential career paths for mathematics graduates.
- ❖ Mr. Anto Xavier created a collaborative atmosphere during the talk.
- ❖ The session helped students gain clarity on the diverse paths their Mathematics degree could lead them.
- ❖ The guidance provided was instrumental in helping students make informed decisions about their future endeavors.

The Department of Chemistry in collaboration with Galileovasan Offshore & Research and Development Pvt. Ltd, K-2 Industrial Estate, Nagapattinam organized an Industrial Training Programme on "Water Based Paints Manufacturing and Petroleum Testing & Analysis" on 27-03-2023.

The programme began at 10.15 am with a prayer song by III B. Sc Chemistry students. The Head of the Department Dr. M. Anitha Malbi welcomed the gathering. Er. G.M. Srinivasan from

Galileovasan Offshore & Research and Development Pvt. Ltd, Nagapattinam was the resource person. He gave a lecture under the topic “Hands on training of Water Based Paints Manufacturing & Petroleum Testing”. In his talk, he explained the various departments that exist in a company and their responsibilities. He gave clear idea to the students for selecting their career in future. His industrial and job experience motivated the students. The detailed list of various job opportunities available for a chemistry student in the market made the students feel proud of them.

In the afternoon, MOU was signed between Galileovasan Offshore & Research and Development Pvt. Ltd, Nagercoil and Department of Chemistry, Holy Cross College (Autonomous), Nagercoil in the presence of our vice- principal Dr. Sr. Leema Rose. The students then had a workshop related to “Manufacturing of Water Based Paints” which really motivated them to think beyond Chemistry. He demonstrated the methods of preparing water-based paints. In the valedictory session, many students shared their valuable feedback regarding the programme. This was followed by the formal vote of thanks by Mrs. L. Deva Vijila. The programme came to an end at 3.15 pm. The arrangements made and hospitality was appreciated by everyone. Mrs. L. Deva Vijila and Dr. M. Antilin Princela were the organizing secretaries of the programme. Ms. Annie Ronaldino of III B. Sc Chemistry was the master of ceremony. The beneficiaries of the Programme were 145 students and 15 staff members.

NAACV Cycle Self Study Report (SSR)

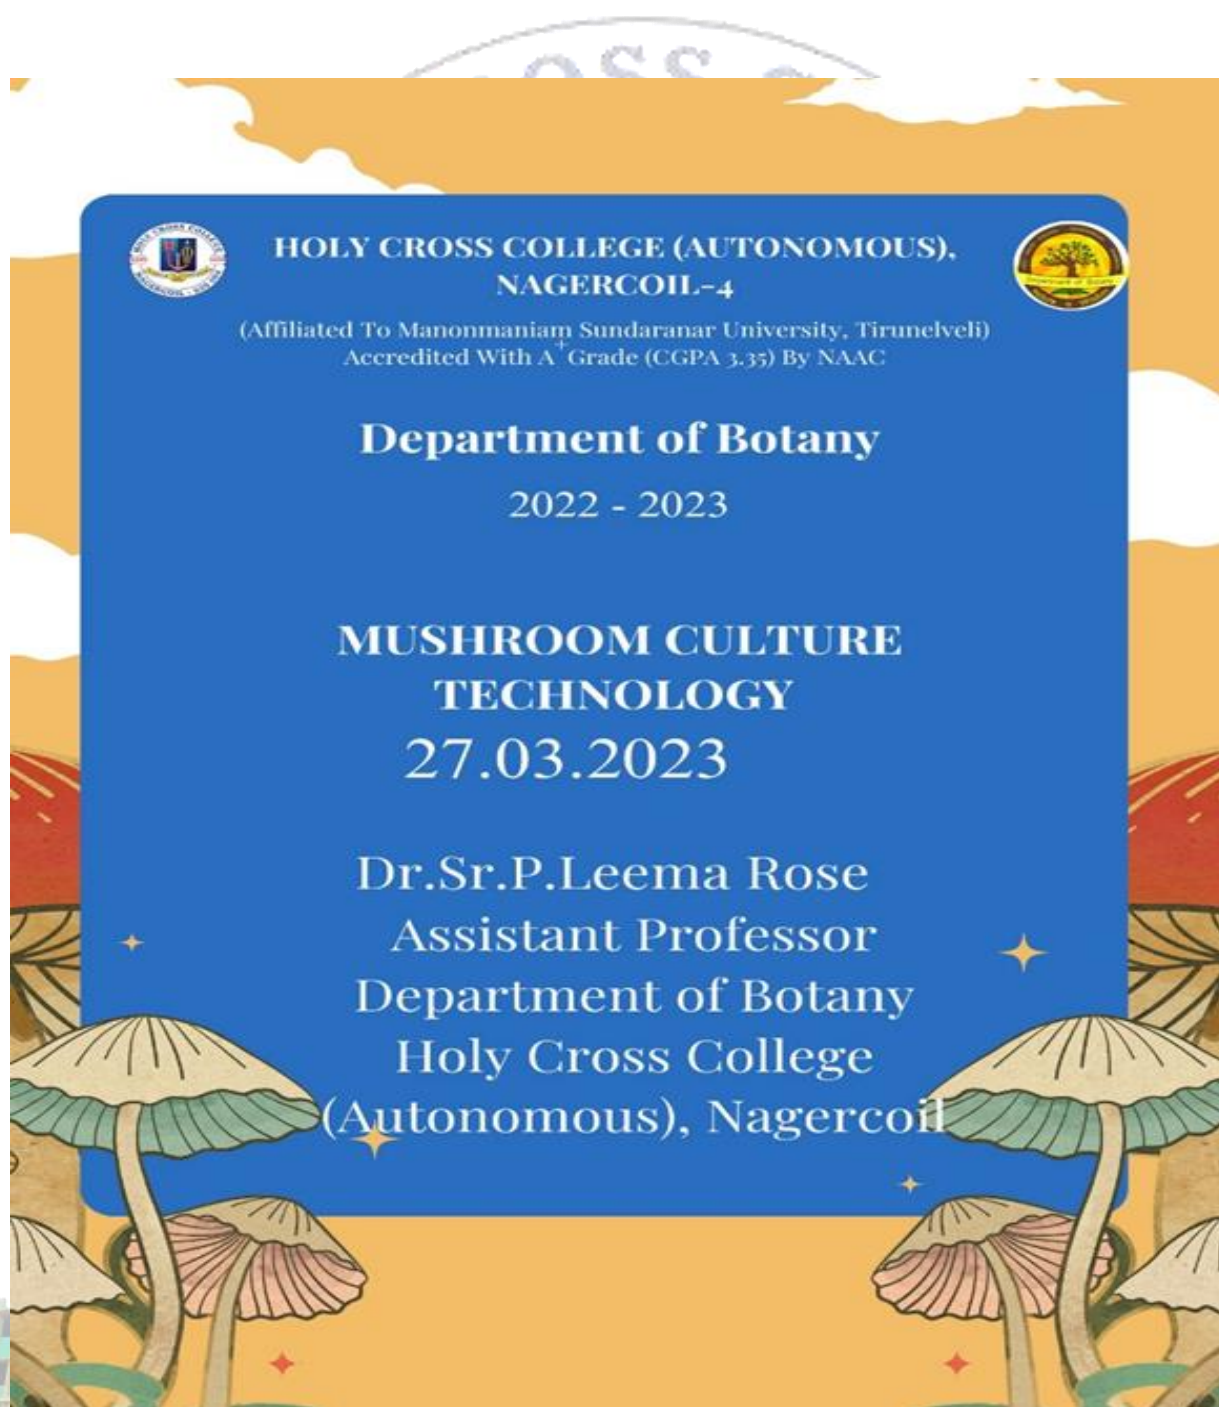

Date : 27-03-2023  
Organized by : Department of Botany  
Theme/ Objective : To give training in Mushroom Culture  
Outcome of the Activity : Students gained knowledge on cultivating Mushroom  
Number of the Beneficiaries : 40  
Venue : Blossom Nursery

Mushroom culture technique is an essential skill for students interested in agriculture, biology, or culinary arts. Understanding this technique equip the students with knowledge of sustainable farming practices and the ability to produce a valuable food source. The process involves several key steps, starting with selecting suitable substrate materials like straw, sawdust, or agricultural waste. Next, students inoculate the substrate with mushroom spawn, which contains the mycelium needed for mushroom growth. They then incubate the inoculated substrate under controlled conditions of temperature, humidity, and light to promote mycelial colonization. Throughout the growth period, students monitor the culture for signs of

contamination and adjust environmental conditions as needed. Once the mycelium has fully colonized the substrate, fruiting conditions are induced, leading to the emergence of mushroom fruiting bodies. Students learn to harvest the mushrooms at the optimal stage of maturity to ensure quality and maximize yield. This hands-on experience fosters critical thinking, problem-solving, and teamwork skills as students navigate the complexities of mushroom cultivation. Furthermore, it instils an appreciation for sustainable agriculture and the importance of environmental stewardship. By mastering mushroom culture technique, students are prepared to contribute to food security, biodiversity conservation, and sustainable development initiatives in their communities.

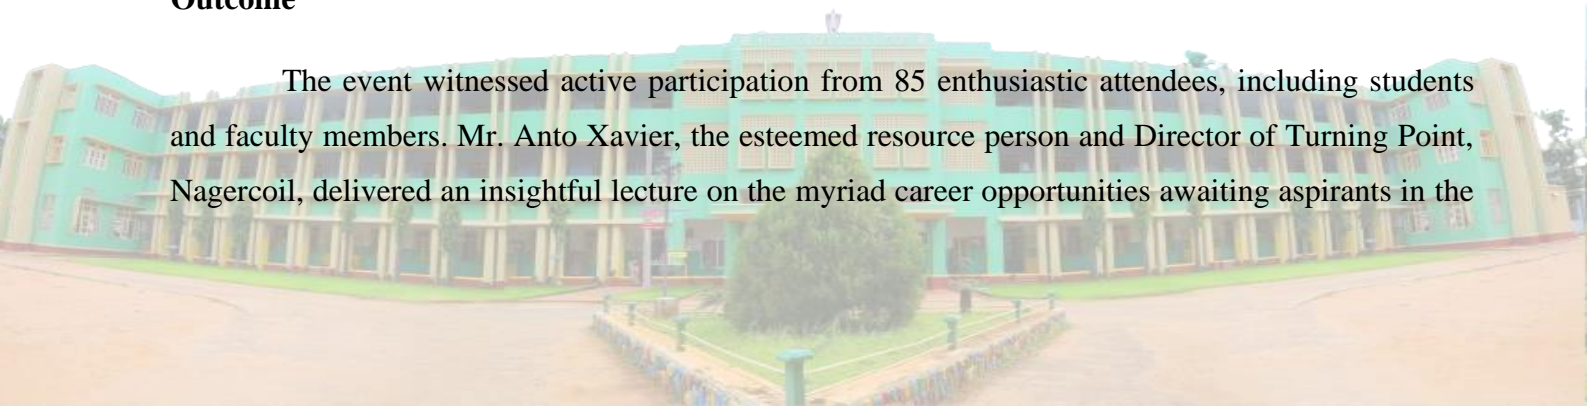

### ENDOWMENT LECTURE ON REWARDING CAREER OPPORTUNITIES IN LIFE SCIENCES

Date and Venue : 10th November 2022, St. Joseph's Hall  
Resource Person : Mr. Anto Xavier, Director, Turning Point, Nagercoil  
Organized by : Zoology Association  
No. of Beneficiaries :135

The Endowment Lecture on Rewarding Career Opportunities in Life Sciences, organized by the Zoology Association, was held on 10th November 2022 at St. Joseph's Hall. The lecture aimed to shed light on the diverse career paths available in the field of life sciences and provide valuable insights for students interested in pursuing careers in this domain.

#### Outcome

The event witnessed active participation from 85 enthusiastic attendees, including students and faculty members. Mr. Anto Xavier, the esteemed resource person and Director of Turning Point, Nagercoil, delivered an insightful lecture on the myriad career opportunities awaiting aspirants in the

realm of life sciences. Mr. Xavier's presentation encompassed various facets of life sciences, ranging from traditional career options to emerging trends and interdisciplinary roles. He elucidated upon the significance of life sciences in addressing contemporary challenges such as healthcare, environmental conservation, and biotechnology.

### Impact

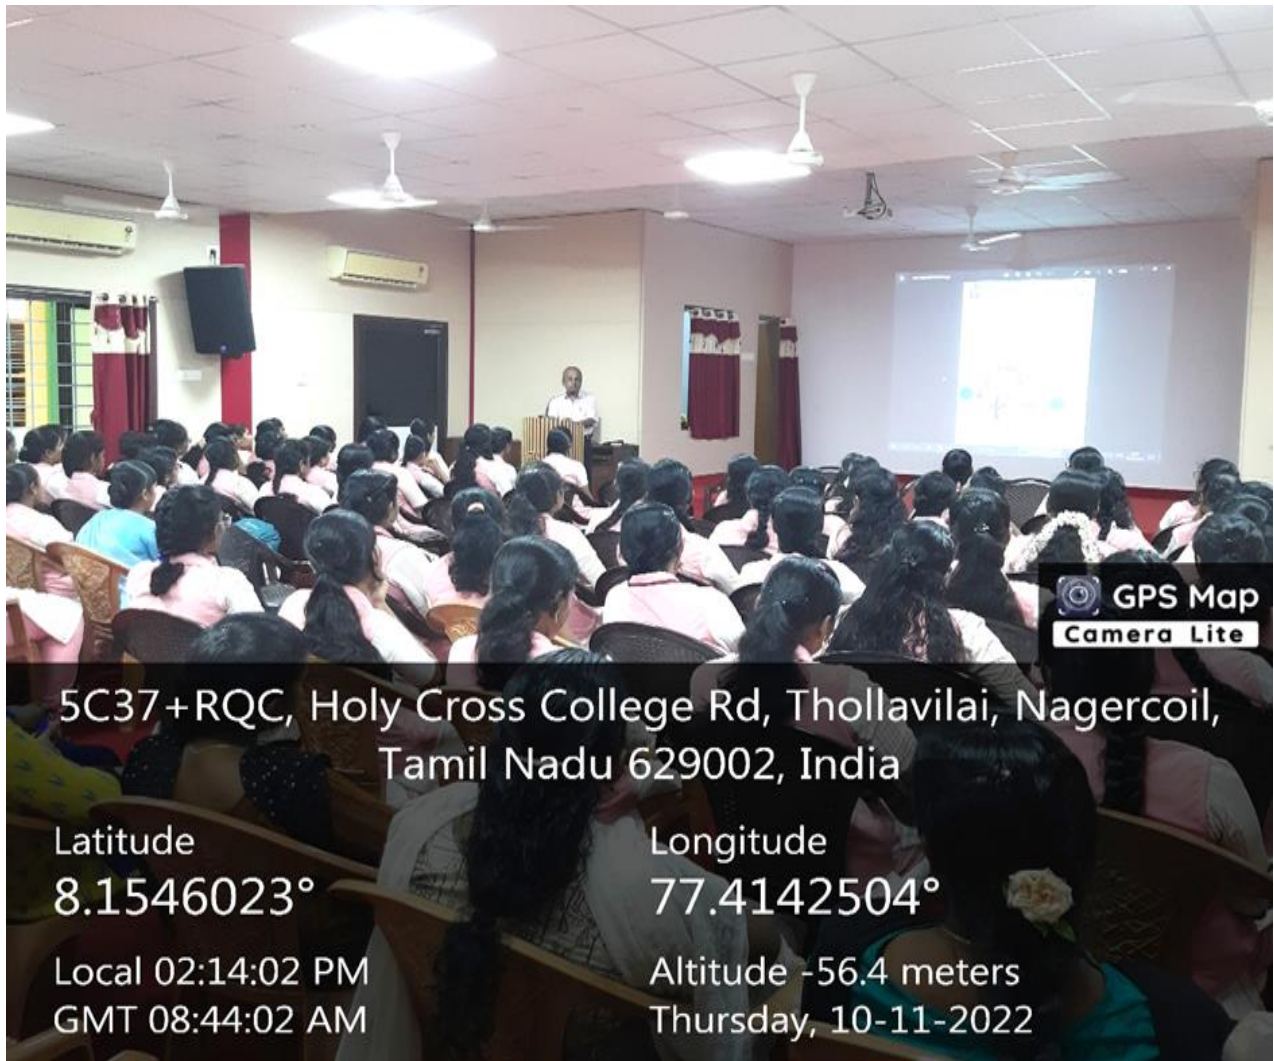

The Endowment Lecture left a profound impact on the attendees, empowering them with valuable insights and perspectives to navigate their career trajectories in life sciences. Participants gained a deeper understanding of the diverse career avenues available beyond conventional roles, including research, pharmaceuticals, biotechnology, environmental conservation, and science communication.

### ENDOWMENT LECTURE ON LAUNCH MY CAREER

Date and Venue	: 25th March 2022, St. Joseph's Hall
Resource Person	: Mr. Berbet A, General Manager, District Industries Centre, Nagercoil
Organized by	: Zoology Association
No. of Beneficiaries	:120

The Endowment Lecture on "Launch My Career" organized by the Zoology Association was held on 25th March 2022 at St. Joseph's Hall. The event aimed to provide attendees with valuable insights and strategies for initiating and advancing their careers effectively. Mr. Berbet A, the esteemed General Manager of the District Industries Centre, Nagercoil, graced the occasion as the resource person, bringing with him a wealth of knowledge and experience in career development and industry engagement.

**Outcome:**

The lecture drew participation from a diverse audience comprising students, faculty members, and professionals eager to gain practical insights into launching successful careers. Mr. Berbet's presentation was comprehensive and engaging, covering various aspects of career planning, skill development, and professional networking.

Throughout the session, Mr. Berbet emphasized the importance of self-assessment and goal setting in shaping a fulfilling career path. He shared valuable tips on resume writing, interview preparation, and leveraging online platforms for job search and networking. Additionally, Mr. Berbet shed light on the role of internships, apprenticeships, and industry collaborations in gaining practical experience and enhancing employability.

**Impact:**

The Endowment Lecture had a profound impact on the attendees, empowering them with practical knowledge and actionable strategies to navigate the complexities of the job market. Participants expressed appreciation for Mr. Berbet's insightful guidance, noting its relevance and applicability to their career aspirations.
