PHYTO-QUIZ

The Department of Botany at Holy Cross College, Nagercoil organised an innovative Phyto-Quiz Competition online. The event aimed to engage students in plant science and foster a deeper understanding of botanical concepts in a virtual environment. Students from various academic backgrounds, including botany, biology, environmental science, and related fields, participated. The virtual format enabled participation from a diverse range of geographical locations, enhancing the inclusivity of the event. The competition demonstrated the potential of virtual platforms in facilitating engaging and interactive learning experiences in plant science. By leveraging technology and innovation, the competition provided a platform for students to enhance their botanical knowledge, collaborate with peers, and showcase their skills in a virtual environment.

ACADEMIC FEST-ONLINE QUIZ- HIROSHIMA & NAGASAKI DAY

Online Quiz

Thrust Area : Hiroshima and Nagasaki Day
 Design Contest Date : 06-08-2020 to 09-08-2020
 No. of student participants : 101
 Mode of session delivery : Online
 Objective : To promote the in-built talents of student community
 Google form Link : <https://forms.gle/zHFjkbTF1g5H9WDA9>

The Hiroshima Nagasaki Day is celebrated on 06th August each year. This day refers to the anniversaries of the atomic bombings of the Japanese cities of Hiroshima and Nagasaki during World War II. These bombings took place in August 1945, and they played a significant role in the eventual surrender of Japan, leading to the end of World War II. It is observed annually to remember the victims of the bombings, reflect on the consequences of nuclear warfare and promote peace and nuclear disarmament. Various events, including memorial services, peace vigils, and educational programs take place around the world on these days. Department of Physics, Holy Cross College (Autonomous), Nagercoil celebrated “The Hiroshima Nagasaki Day” by organising an online quiz from 06.08.2020 to 09.08.2020. Participants have completed the e-quiz and successfully received the e-certificates.

E-competitions in Commemoration of “Hiroshima & Nagasaki Disaster Day” were conducted for the students by the Department of Chemistry (Chemistry Association), Holy Cross College (Autonomous), Nagercoil from 6th to 9th August 2020. Sr. K. Francy and Dr. Sheeba Daniel were the organizing secretaries. Poster presentation, pencil drawing and slogan writing competitions were conducted on the topic “Hiroshima & Nagasaki today”. Twenty-two students were registered for the e-competitions through Google Forms. Out of those students, twenty students participated and seven students won prizes. E-certificates were distributed to the prize winners and the participants. The organizing committee members congratulated all the participants and the winners. Students knew about the disaster and the impacts created by that incident.

Title of the Programme	: E-Competitions in Commemoration of “Antoine L. Lavoisier's Birthday”
Date	: 06-08-2020 to 09-08-2020
Organized by	: Department of Chemistry
Theme/ Objective	: To make the students know the contributions of Antoine L. Lavoisier
Outcome of the Activity	: Students gained knowledge about the achievements of Antoine L. Lavoisier
Impact of the activity	: Motivated to overcome the hurdles in life
Number of the Beneficiaries	: 12
Platform	: Online

BIOTECHNOLOGY QUIZ

The Department of Botany at Holy Cross College organized a prestigious National-Level Online Biotechnology Quiz on July 13, 2020. The event aimed to promote awareness and understanding of biotechnological concepts among students and professionals across the nation, fostering academic excellence and innovation in the field of biotechnology. The online quiz attracted participation from students, researchers, and enthusiasts from various educational institutions, including universities, colleges, and research organizations, spanning different regions of the country. Participants represented diverse academic backgrounds, including biotechnology, biology, biochemistry, and related disciplines. The National-Level Online Biotechnology Quiz organized by the Department of Botany at Holy Cross College served as a platform for students and professionals to showcase their knowledge, skills, and passion for biotechnology in a virtual environment. By embracing technology and innovation, the quiz provided a stimulating and enriching learning experience, empowering participants to explore and excel in the fascinating field of biotechnology.

E-COMPETITION IN COMMEMORATION OF "WORLD NATURE CONSERVATION DAY"

Topic: Conservation of Nature

Nature Conservation Day
**No life without mother,
 No birth without land**

The main aim of the World Conservation Day is to come together and support nature by preserving it for the future generations. Conservation of nature is the wise management and utilization of natural resources. Global warming, Natural disasters, Pandemics, Pollution etc. have become a threat to mankind and it is therefore essential to create awareness among the students the importance of saving our resources, recycle the waste and preserve our nature.

With this objective, the Department of Zoology, Holy Cross College, Nagercoil is pleased to organize and conduct E-competition to students of Schools (High School, Higher Secondary) and Colleges (UG and PG) on the topic "Conservation of Nature".

Top 3 posters and essays will be awarded
 E-certificates will be provided to all the participants.

E-QUIZ ON PICLIT – 04-08-2020 to 09-08-2020

Objective : To stimulate the instinctive knowledge of students through various questions including images of authors and works from literature

No. of Beneficiaries : 63

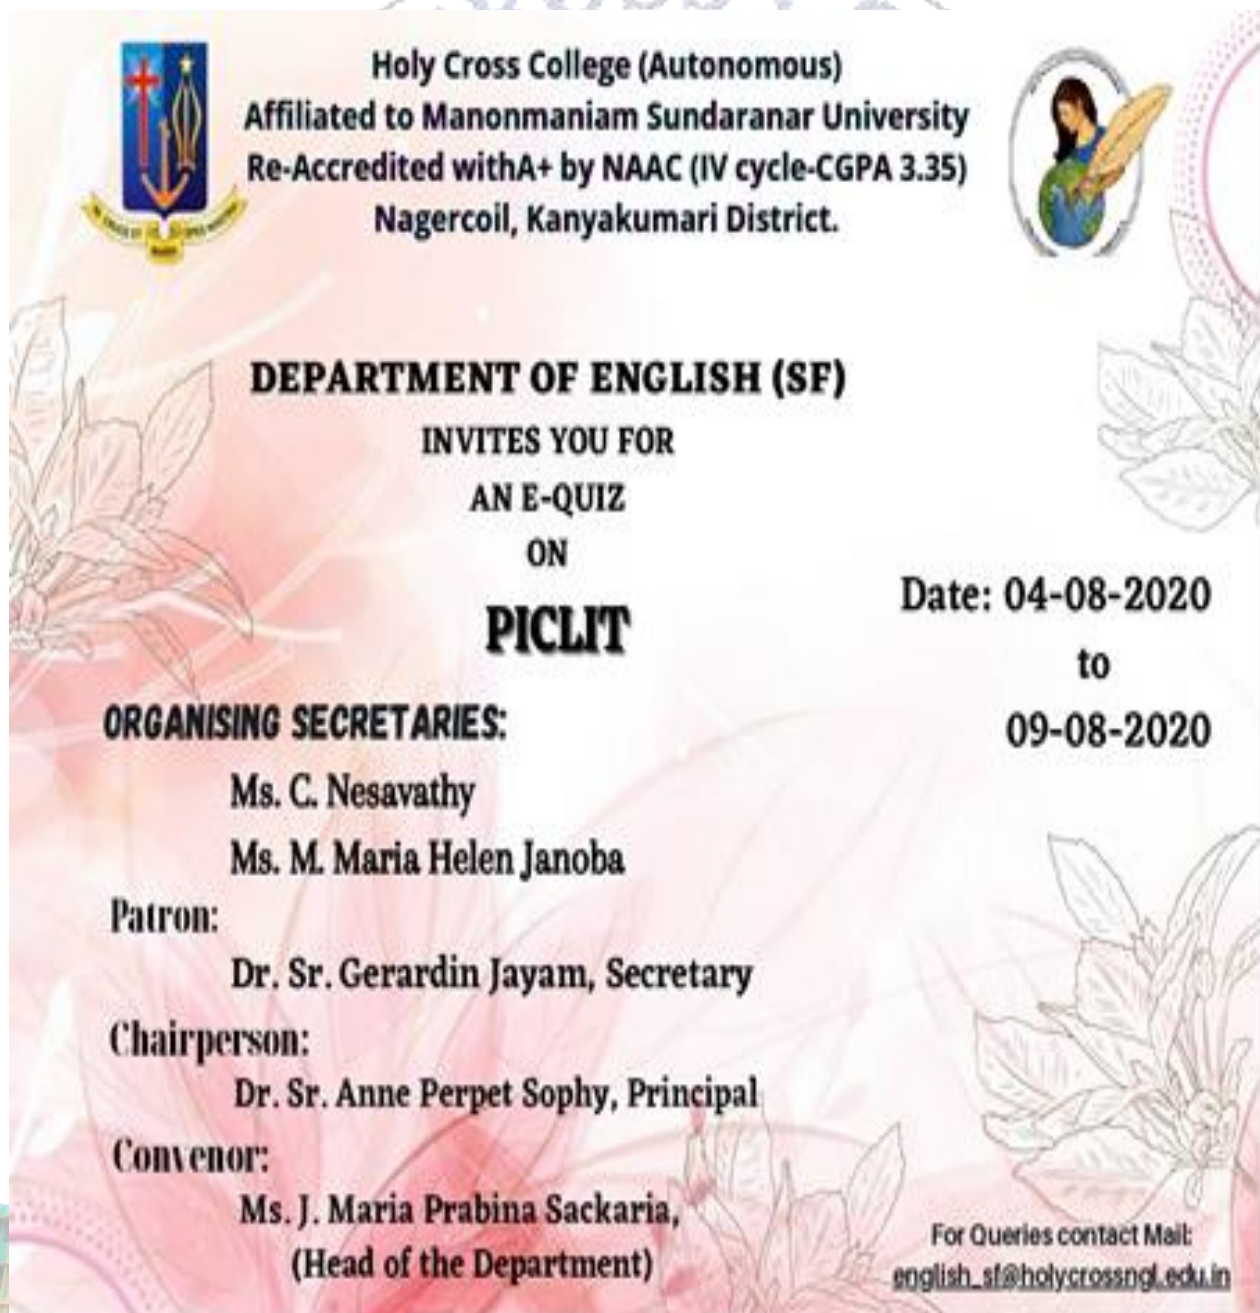

Organised by : Department of English SF, Holy Cross College (Autonomous), Nagercoil

Venue : Google Form

Registration link: <https://forms.gle/p7Ek6QkxRv2bof5o9>

The Department of English (SF) organised E-Quiz titled 'PICLIT' on from 04/08/2020 to 09/08/2020. Pictures selected related to literature famous authors and images related to famous works. The students must find out the images correctly. It is held with the help of Google Forms. Students from various colleges and our students actively participated in the e-quiz. Students from each class actively participated in all the events and expressed their talents on the subject. The organising secretaries Ms. M. Maria Helen Janoba and Ms. C. Nesavathy coordinated all the events with the help of organising members. Sixty-three students benefited from this event.

The poster features a central text area with a decorative background of pink and white floral patterns. At the top left is the Holy Cross College logo, and at the top right is a circular emblem of a woman holding a globe. The text is centered and uses various font sizes and weights to highlight key information. The date range is clearly marked on the right side. The names of the organizing secretaries, patron, chairperson, and convener are listed on the left. A contact email address is provided at the bottom right.

RAMANUJAN'S DAY CELEBRATION

Date : 23-12-2020

Link for the Google Meet: <https://meet.google.com/jsu-tbeo-ghg>

Events, Topics and Resource Person:

- 1) Talk on “Life History of Ramanujan” Miss. T. Jeya Aarya (III B. Sc Mathematics)
- 2) Discussion on the Mathematical inventions of Ramanujan Miss. A. Shajibha (III B. Sc Mathematics)
- 3) **Puzzle Competition in Number Theory: Quiz Master-** Miss. Shalini (II M. Sc Mathematics)

The Mathematics Department celebrated the birthday of the renowned Indian Mathematician Srinivasa Ramanujan on December 23, 2020. The event aimed to honour the Mathematical genius and his contributions to the field, providing an opportunity for students to delve into his life and work.

1) Talk on “Life History of Ramanujan” by Miss. T. Jeya Aarya (III B.S c Mathematics):

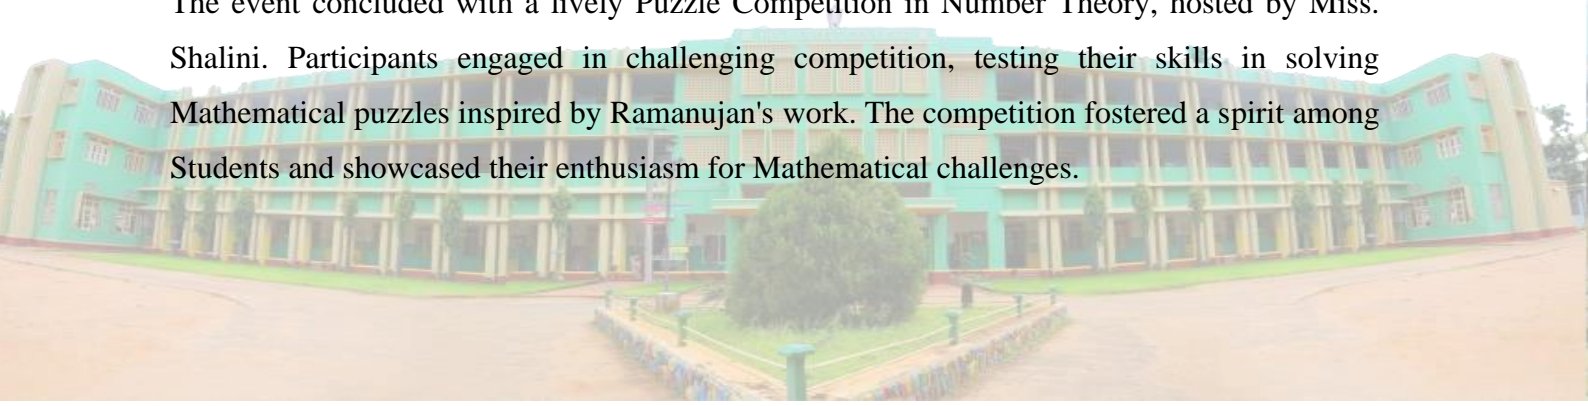

Miss. T. Jeya Aarya commenced the celebration with an insightful talk on the life history of Srinivasa Ramanujan. She eloquently presented key aspects of Ramanujan's journey, from his early life in Erode, Tamil Nadu, to his extraordinary contributions to Mathematics despite minimal formal education. The talk captivated the audience, shedding light on Ramanujan's innate Mathematical intuition and his collaboration with British mathematician G.H. Hardy.

2) Discussion on the Mathematical Inventions of Ramanujan by Miss. A. Shajibha (III B. Sc Mathematics):

Miss. A. Shajibha explored the Mathematical inventions of Ramanujan. She discussed Ramanujan's groundbreaking discoveries in number theory, infinite series, and modular forms. Shajibha emphasized the impact of Ramanujan's work on various branches of Mathematics, showcasing his ability to generate novel results that continue to inspire Mathematicians globally.

3) Puzzle Competition in Number Theory - Quiz Master: Miss. Shalini (II M. Sc Mathematics):

The event concluded with a lively Puzzle Competition in Number Theory, hosted by Miss. Shalini. Participants engaged in challenging competition, testing their skills in solving Mathematical puzzles inspired by Ramanujan's work. The competition fostered a spirit among Students and showcased their enthusiasm for Mathematical challenges.

Outcome

The Ramanujan's Day Celebration proved to be a resounding success, achieving its objectives of educating and inspiring students about the life and work of Srinivasa Ramanujan. The talks provided valuable insights into Ramanujan's contributions, while the puzzle competition allowed Students to apply their Mathematical knowledge in a fun and interactive manner. The event not only celebrated the legacy of Ramanujan but also encouraged students to explore the beauty of Mathematics and its limitless possibilities.
