TECHNICAL FEST-DESIGN CONTEST ON SMART VEHICLE

| | |
|------------------------------|--|
| Thrust Area | : Innovation |
| Design Contest Date | : 28-06-2023 |
| Valedictory Date | : 17-07-2023 |
| Duration | : 01:00 P.M to 03.30 P.M |
| No. of student participants | : 31 |
| No. of faculty participants | : 7 |
| No. of external participants | : NIL |
| Expenditure amount | : Rs 1000/- |
| Mode of session delivery | : Offline |
| Objective | : To promote the in-built talents of our students. |
| Benefits | : Students come up with little innovative designs |

Innovation Cell of the Institution's Innovation Council in collaboration with the Department of Physics, Holy Cross College (Autonomous), Nagercoil organised a Design Contest under the topic "**Smart Vehicle**" on **28 June, 2023** at Room No 14. The event was sparked with the participation of 31 students (18 teams) who shared their innovative designs on smart vehicles. The purpose of the contest was to bring out the originality of students with new ideas and to build up a new smart vehicle within our campus. The programme was inaugurated by Dr. C. Nirmala Louis, HOD Department of Physics. Students exhibited their ideas about smart vehicles in a design format. They drafted their designs on chart paper. The resource person and the judges of the event were Mr. Jinu Martin, Founder/CEO-Lagoon Technologies/ Uaechauffeur and Mr. Sujin Roshan, Chief Information Officer, Lagoon Technologies. Judges gave their valuable suggestions to each participant to develop their skills.

Department of Physics in Collaboration with Institution's Innovation Council and HCIC organizes Design Contest on Smart Vehicle on 28.06.2023 and Valedictory function held on 17.7.2023

The students participated in the contest with great enthusiasm and eagerness. Haruna E, III B. Sc Physics, the student organizer of IIC from the Department of Physics expressed her gratitude to the young designers for exhibiting their original ideas.

The valedictory function was held on 17.07.2023 in room no: 14. The resource person and the Judges were Mr. Jinu Martin, Founder/CEO-Lagoon Technologies/ Uaechauffeur and Mr. Sujin Roshan, Chief Information Officer, Lagoon Technologies Dr. R. Krishna Priya, the organising secretary of the event welcomed the gathering. The Judges gave their viewpoints and suggestions on each participant's work. They also appreciated all the participants who put forward their creative ideas within a short period. They also appreciated that the students were energetic in implementing their designs as real-time work. Finally, on behalf of HCIIC, the Judges gave a cash award of Rs. 1000/- to the winner of the event, Bithuna. E Lot No 16. The meeting concluded with a vote of thanks delivered by Dr. R. Krishna Priya, and the programme came to an end at 3.30 pm.

EXHIBITION ON ENERGY CONSERVATION

Holy Cross College, 14 December, 2023

The Department of Physics of Holy Cross College (Autonomous), Nagercoil and the Innovation Cell of the Institution Innovation Council collaborated to create an exhibition in honour of National Energy Conservation Day, which take place on December 14, 2023, in Room No. 24. Ten faculty members and 89 students in all took part in this event.

This exhibition aimed to highlight our students' inventiveness via originality. Dr. C. Nirmala Louis, Head and Associate Professor of Physics, Holy Cross College, Nagercoil, officially launched the programme. Ms. Joe Nithuna, I B.Sc Physics, led a prayer song and started the programme. Prototypes of their innovative concepts are displayed by the students. 36 students exhibited their creativity as models. The following teams showcased their original concepts for the exhibition as working prototypes.

The students were intensely animated and full of excitement. The young inventors were commended for showcasing their innovative ideas by Haruna E, III B.Sc. Physics, the student organiser of the IIC from the Department of Physics. The exhibition was over by 1:00 PM.

IIC in collaboration with Department of Physics organises an Exhibition on the topic " Energy Conservation " on 14.12.2023

TECHNICAL FEST- EXHIBITION ON OPTICS AND LASERS

| | |
|-----------------------------|---|
| Title of the Programme | : National Science Day |
| Thrust Area | : Optics and LASERS |
| Date | : 28-02-2024 |
| Duration | : 10 a.m to 1.30 p.m |
| No. of student participants | : 153 |
| No. of faculty participants | : 11 |
| Objective | : Commemoration of the National Science Day |

National Science Day encourages the development of a scientific temper among students. It helps in fostering curiosity and critical thinking, thereby promoting a culture of inquiry and rationality.

National Science Day is celebrated on February 28th in India to commemorate the discovery of the Raman Effect by the eminent Indian physicist, Sir C.V. Raman, in 1928. The programme begins with a prayer song followed by a welcome address. Ms. Mary Asha of I. M.Sc. Physics delivered a talk on the “Raman Effect”. This session provided an opportunity for knowledge sharing and interaction between students. Science exhibitions were organized to showcase scientific advancements, innovations, and experiments. These exhibitions aimed to educate and inspire students. Forty-eight students exhibited their exhibits focussing on “Optics and laser” in different teams. One hundred and fifty-two students from the Physics department and the faculty members were the beneficiaries.

INTERNATIONAL SEMINAR ON IMPACT OF AI ON THE FUTURE OF STUDENTS

Organizing Department - Department of commerce SF-1

Date – 05-03-2024

Time - From 9:30 A.M onwards.

Organizing Secretary - Dr. S. Jameela & Dr. M. Charles Dayana, Assistant Professor,
Department of Commerce SF-1

No of Participants- 206 students

On 05/03/2024 the Department of Commerce SF-1, organised an international seminar on the “Impact of AI on the future of students” in collaboration with the Department of Commerce, Nanjil Catholic College of Arts and Science, Kaliyakkavilai. The seminar was organised to explore AI technology's potential to change traditional education models and create more personalized, inclusive, and adaptive learning experiences for students.

Technical section-I resource person Mr. Sahaya Sachin, Jordan Springs NSW, Australia, and technical section-II resource person Mrs. D. Beula Jeba Malar, Shishya Public School campus, Dehradun beautifully explained the most significant impacts of AI in education is its ability to provide individualized learning paths for students based on their unique needs, learning styles, and abilities.

Dr. M. Mary Helen Stella, Associate Professor in Commerce (Rtd.) is the chairperson for the paper presentation. 20 students presented their papers. The seminar concluded with the distribution of certificates to the participants.

About the College

Holy Cross College is the first women's college in Kanyakumari District inaugurated on 2nd August 1966 and administered by the congregation of the sisters of the Cross of Chavanoth. It is affiliated to Manonmaniam Sundaranar University, Tirunelveli. It was conferred Autonomous status in 2007. The College has undergone 4 cycles of accreditation by National Assessment and Accreditation Council and it has A+ Grade with CGPA 3.35. The college Ranks 26th at National level and 12th at state level in the EW (Education World) India Autonomous College Ranking. The college has a student population of 2300 spread across 17 disciplines. The college has been instrumental in churning out thousands of truly educated women, not merely cultured and refined but truly disciplined and empowered. Thus, this college stands for the uplift of women by upholding the glorious motto of the college.

About the Department

The Department of Commerce (SF-I) was established as a UG Centre of Learning in 2007 and was upgraded to PG level in 2010 and fee doctoral in the year 2012. The department has vibrant faculty contributing to the quality education of the student community. To enhance the quality of education and development, the students are exposed to industrial visits, summer internship programmes and executive skill development programmes. The department feels proud that the students are dynamic, innovative, enterprising to serve the society in large.

About the Seminar

Artificial Intelligence (AI) is rapidly evolving and has the potential to bring significant advancements to various industries. In the realm of education, AI holds great promise in transforming the learning experience for students. Artificial Intelligence holds tremendous potential to reshape education, making it more personalized, accessible, and effective. From adaptive learning paths to virtual reality experiences and predictive analytics, AI technologies can revolutionize the way students learn, grow, and succeed. By embracing AI in education, we can equip students with the necessary skills and knowledge to thrive in a future that increasingly relies on technological advancements.

PAPER PRESENTATION

Papers will be accepted for presenting only after satisfying the guidelines and plagiarism norms.

SUB-THEMES

Research papers of high caliber that explore, address and discuss current themes and concerns in the humanities and social sciences are invited.

- Artificial Intelligence
- Behavioural Finance
- Competitive Advantages in Banking
- Contemporary Issues in Artificial Intelligence
- Emergence of Markets in Changing Scenario
- Entrepreneurship
- Human Resource Management
- Insurance
- Investments
- Marketing
- Organizational Behaviour
- Renewable Energy
- Social Currency
- Sustainable Development

PAPER SUBMISSION GUIDELINES

- The paper needs to be written in English using MS Word.
- First page containing Title of the paper (in font size), Author name, Designation and affiliation should be in 10 font size. Remaining paper in 12 font size.
- The paper should be written in Times New Roman font style.
- Referencing should be in APA Style

Last date for the submission of the Abstract is

on or before : 29.02.2024

Submission of full paper with PPT

: 01.03.2024

Soft copy of the Research paper should be submitted to

COMPOSING VERSES AND ESSAYS IN REMEMBRANCE OF SUNDARA RAMASWAMY

The competition cultivated a rich tapestry of verses and essays, serving as a heartfelt tribute to Sundara Ramaswamy. To commemorate the Remembrance of Sundara Ramaswamy, the Department of English (SF) organized competitions for the students on 17-10-2023. Ms. Alisha Josephine and Ms. Athersya were the staff in Charge of the event. Competitions like writing creative verses and essays were held to encourage the students to showcase their talents in India's freedom struggle. Totally 27 students actively participated in the event and benefitted from it.

WORLD UNITY DAY

The Department of History has proudly registered that World Unity Day on 27 -10- 2023 in Room no. 77. The programme started at 2.50 p.m. with a prayer song. Ms. Aparaa of I BA History acted as a Master of the ceremony of the programme. That was followed by a welcome address by Aafia of I BA history. To enrich the programme, the documentaries on World Unity Day were presented by I History and II BA History.

Ms. Bershiya of II BA History has delivered a speech on insisting on the need for unity. It was thought-provoking and meaningful. To add more effectiveness to the programme an oath was taken by all the participants of the programme. Ms. Angelin Preetha delivered the vote of thanks and the programme was windup around 3.15 p.m. with National Anthem.

ACADEMIC FEST-CELEBRATION - MILE STONES OF SPACE EXPLORATION-

CHANDRAYAN 3

| | |
|-----------------------------|----------------------|
| Venue | : Multipurpose Hall |
| Thrust Area | : Innovation |
| Date | : 23.08.2023 |
| Time | : 4:45 pm to 6:00 pm |
| Duration | : 60 minutes |
| No. of Student participants | : 55 |
| No. of Faculty participants | : 5 |
| Mode of Session delivery | : Offline |
| Remarks | : Excellent |

Objective: To encourage, enable, and facilitate students in the National celebration – Landing of Chandrayan 3, the proud moment of our country.

Benefit in terms of learning/skill/knowledge obtained: The students came to know about recent innovations in landing the spacecraft on the moon and their applicability

Overall report of the activity

Department of Physics in association with the Crossian Human Resource Development Centre and innovation cell of the Institution's Innovation Council organized a national celebration on the successful launch of the Chandrayan 3 spacecraft live session. The programme was held on **23rd August 2023 at Multipurpose Hall, Holy Cross College (Autonomous), Nagercoil**. The programme's objective is to inspire the students to be involved in the precise deployment of the spacecraft into its designated trajectory for the journey to the moon. Er. Arul Jerald Prakash, Former Director, Priyadharshini Planetarium, Kerala State and Science Technology Museum, Trivandrum was the resource person of the day. He spoke about the Chandrayan 3 and its history, the need to execute a series of manoeuvres to enter the lunar orbit successfully, and achieving the intended orbit around the moon is a crucial milestone. He also said that even if chandrayan 3 is equipped with a rover, its successful deployment and subsequent operations on the lunar surface lead to another milestone.

EXPLORING PHYSICS FRONTIERS- INTRA DEPARTMENTAL QUIZ

COMPETITION

Thrust Area : Fundamental principles and concepts of Physics

Date : 23-09-2023

.No. of student participants : 157

No. of faculty participants : 11

Mode of session delivery : Offline

Remark : Nil

Objective :

1. To stimulate interest and curiosity in physics among students.
2. To encourage participants to deepen their understanding of fundamental principles and concepts in physics.

Physics Club organized an intra-departmental Quiz Competition focused on "Recent Trends in Physics" on September 29, 2023. The program coordinators for the Quiz Competition were II M.Sc. students. Their role was likely to plan and execute the competition effectively. The competition aimed to raise the knowledge level of basic concepts in physics. This suggests that it focused on testing and enhancing participants' understanding of recent developments and trends in the field of physics. 25 students (5 teams, 5 in each team) participated in the competition. The winners of the quiz competition were awarded prizes. Dr. C. Nirmala Louis, Head of the Department of Physics presented the prizes for the winners.

Benefits :

Successfully answering questions and performing well in a quiz can boost participants' confidence and self-esteem, validating their knowledge and abilities. Participants deepen their understanding of the subject matter by studying and preparing for the competition, leading to increased knowledge retention and application.

KNOW YOUR ECONOMY

"Know Your Economy Test "

Date : 1-4-2024

The "Know Your Economy Test" was an inter-departmental examination conducted to assess participants' understanding of Indian economy concepts and general knowledge. Organized with the aim of enhancing awareness and knowledge among students, the test provided a platform for individuals to showcase their proficiency in economic matters and current affairs. To gauge participants' knowledge and comprehension of key concepts related to the Indian economy, including macroeconomic indicators, economic policies, and recent developments. To foster an environment of learning and intellectual engagement among students and faculty members across various departments. To promote interdisciplinary understanding and collaboration by bringing together individuals from diverse academic backgrounds. To encourage participants to stay informed about current events, government initiatives, and economic trends shaping the Indian economy. To recognize and reward outstanding performance in the test, thereby motivating participants to deepen their understanding of economic issues. The test was designed to assess participants' knowledge, analytical skills, and ability to apply economic concepts to real-world scenarios. It featured questions of varying difficulty levels to accommodate participants with different levels of expertise and academic backgrounds. The Department of Economics in Collaboration with Scientific Research Association for Economics and Finance (SRAEF), Chennai conducted a competition on "Know Your Economy Test for 88 students of the Department of Economics and Commerce on 1st April 2017 through a written test.

I Prize – Chandni M – III B.Com

PAPER PRESENTATION COMPETITION

Report on Sr. Sophy's Endowment Paper Presentation Competition on Sustainable Goals among College Students

Date: 29-1-2024

Sr. Sophy's Endowment recently organized a paper presentation competition focusing on Sustainable Development Goals (SDGs) among college students. The competition aimed to foster awareness, discussion, and innovative ideas among the participants regarding the importance and implementation of SDGs in today's world. This report provides an overview of the event, including its objectives, participation, presentations, and outcomes.

Objectives are :

- i) To promote awareness and understanding of the United Nations' Sustainable Development Goals (SDGs) among college students.
- ii) To encourage college students to explore and present innovative ideas and solutions for achieving the SDGs.
- iii) To provide a platform for sharing knowledge, experiences, and perspectives on sustainable development issues.
- iv) To recognize and reward outstanding presentations that demonstrate creativity, research, and practical applicability in addressing sustainable development challenges.

The competition witnessed enthusiastic participation from various colleges, with students from diverse academic backgrounds showcasing their interest in sustainable development issues. The diverse composition of participants contributed to a rich exchange of ideas and perspectives during the event. The presentations were characterized by thorough research, critical analysis, and innovative solutions proposed by the participants. Each presentation provided valuable insights into the challenges and opportunities associated with achieving the SDGs, along with practical recommendations for policymakers, businesses, civil society, and individuals. Participated colleges are S.T. Hindu College – Nagercoil, Adithanar Arts and Science College – Thiruchenthur, Women Christian College – Nagercoil, TDMNS College – Kallikulam, Sree Devi Kumari Women's College – Kuzhithurai, Sarah Tukhar College (Autonomous) –

Thirunelvil and Holy Cross College (Autonomous), Nagercoil. Totally 31 students are participated in various colleges.

I Prize – Adithi. G.C - III B.A. Economics – Women Christian College - Nagercoil

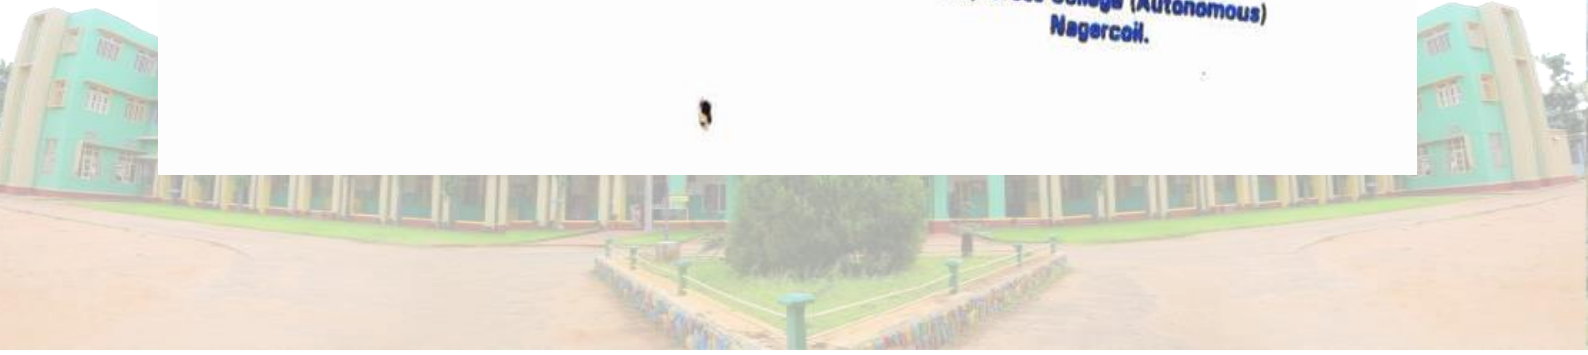

II Prize – Sulthana Razia C – II B.A. Economics – S.T. Hindu College, Nagercoil

III Prize – 1. Kalai Jeyam – I M.A. Economics – Adithanar College for Arts & Science, Thiruchendure

2. Ancy Vijaya Kumar. V – III B.A. Economics - Sree Devi Kumari Wmen's College. Kuzhithurai

The competition concluded with the announcement of winners based on criteria such as content, presentation skills, relevance to SDGs, and originality. Additionally, all participants received feedback from the judging panel, which included experts in the field of sustainable development and academia. The event not only fostered learning and knowledge-sharing but also inspired students to become proactive agents of change in their communities and beyond. Sr. Sophy's Endowment Paper Presentation Competition on Sustainable Goals among College Students served as a platform for engaging and empowering the youth to contribute meaningfully to the global agenda for sustainable development. The event highlighted the importance of interdisciplinary collaboration, innovative thinking, and collective action in addressing complex sustainability challenges. Moving forward, it is imperative to continue nurturing such initiatives to mobilize the next generation of leaders and change-makers committed to building a more equitable, resilient, and sustainable world.

CONSUMER RIGHTS DAY

On 14th March 2024, Consumer Rights Day, a vibrant competition encompassing singing, poster creation, and essay writing in both Tamil and English languages saw enthusiastic participation from 28 participants. The event showcased a diverse array of talents and perspectives, highlighting the importance of consumer rights awareness through creative expression. Participants passionately conveyed their messages through music, visual art, and thoughtful written discourse, fostering a deeper understanding and appreciation for consumer rights in the community.

During the prize distribution ceremony, the esteemed guest, Dr. P. Sathya, Assistant Professor of English, graced the occasion with her presence. With grace and eloquence, she commended the winners for their remarkable achievements and underscored the significance of consumer rights advocacy in today's society.

PI DAY CELEBRATION

Date : March 26, 2024
Theme : To understand the mathematical constant which is approximately equal to 3.14.
Venue : Room No.102, Dept. of Mathematics (SF)

Pi Day, celebrated on March 14th (3/14), is a special occasion dedicated to honouring the mathematical constant π (pi). This year, the Dept. of Mathematics (SF) organized a vibrant Pi Day celebration, commenced with a prayer song followed by a welcome speech by Miss. Sivakami of I M.Sc Mathematics (SF). An insightful presentation on the number Pi was delivered by Miss. Jeeva Serene of I M.Sc Mathematics (SF). She eloquently elucidated the significance of pi, its history, and its ubiquitous presence in mathematics, science, and everyday life. Utilizing visual aids and real-world examples, the presentation captivated the audience and shed light on the remarkable properties of pi. Following the presentation, a lively debate ensued, facilitated by the librarian of Holy Cross College (Autonomous), Nagercoil, Dr. Jaya Kala as the chairperson. The debate centered around the effectiveness and feasibility of online teaching as a pathway for new learning.

Participants presented diverse perspectives on topics including accessibility and flexibility, technological challenges, pedagogical effectiveness, and the social and emotional aspects of online teaching. The celebration came to an end with a vote of thanks delivered by Dr. J. Anne Mary Leema, Assistant Professor of Mathematics, Holy Cross College (Autonomous), Nagercoil.

No. of Beneficiaries:56

Outcome:

Students gained a deeper understanding of pi's mathematical properties and its real-world implications.
