ABOUT THE COLLEGE

Holy Cross College (Autonomous), Nagercoil is the first women's college in Kanyakumari District inaugurated on 1st August, 1965. It is affiliated to Maroniamian Muzhakarar University, Tirunelveli. The college has a population of 2000 students spread across 10 disciplines. All the programmes are oriented towards community development, career training and global competency. The college aims at total liberalisation and development of the whole personality of the students. The college stands for the upliftment of women by upholding the glorious motto of the college.

ABOUT THE DEPARTMENT

The Department of Commerce (SF-I) was established as a UG Centre of Learning in 2007 and was upgraded to PG level in 2010 and pte doctoral in the year 2022. The department has vibrant faculty contributing to the quality education of the student community. To enhance the quality of education and development, the students are engaged in industrial visits, summer internship programmes and executive skill development programmes. The department feels proud that the students are dynamic, innovative, enterprising to serve the society in large.

ABOUT THE SEMINAR

The increasing presence of women as entrepreneurs has led to significant business and economic growth in the country. Women-owned business enterprises are playing a prominent role in society by generating employment opportunities in the country, bringing in demographic shifts and inspiring the next generation of women founders. With a vision to promote the sustainable development of women entrepreneurs for balanced growth in the country, startup India in committed towards strengthening women entrepreneurship in India through initiatives, schemes, creation of enabling networks and communities and activating partnerships among diverse stakeholders in the startup eco-system.

The seminar organized by our department is likely to take the concept of Women Entrepreneurship to the hearts of the youth, especially young women. Women Entrepreneur has the strength to bring the change and overcome resistance. In this earnest endeavour and hope, we take a closer look at Entrepreneurship and Regional Development.
